GENERAL

Proceedings of the Government of Mysore,

No. 74-112—MIS. 27, DATED BANGALORE, 3RD JULY 1899.

ORDER.—To avoid as much as possible the necessity of having to pay overtime allowances to the servants of the Government Press, the Government desire Heads of Departments, when sending work to the Press, to be so good as to specify the time within which it is wanted to be completed, so as to enable the Superintendent to decide according to the urgency of each case, whether he would be justified in incurring extra expenditure by working the Press out of hours.

C. SREENIVASIENGAR, *Secy. to Govt., Gen. & Rev. Depts.*

To—All Heads of Departments.
The Superintendent of the Mysore Government Press.

Docket No. 1290, dated 12th June 1899, from the Superintendent of Government Printing, submitting a list of papers more than a week old, received in the Mysore Government Central Press to be printed, and pending on the 7th June 1899.

No. 148-86—MIS. 35, DATED BANGALORE, 4TH JULY 1899.

ORDER THEREON.—The work in the Central Press is in some cases reported to be retarded in consequence of delay in returning the proofs to the Press after revision, and Heads of Departments are requested to be so good as to see that such delays are avoided in future.

2. In several other cases the Superintendent ascribes the want of type as the cause of slow progress of work in the Press. This explanation does not appear quite satisfactory, as the difficulty might have been averted by resorting to the Jail Press for assistance and by economizing the use of type. It is hoped that the Superintendent will, in future, make such arrangements as would ensure a prompt despatch of work in the Press.

3. Requisitions of the year 1898 should be complied with as speedily as possible.

Letter No. 948—749, dated 14th June 1899, from the Deputy Commissioner, Shimoga district—

I have the honor to state that during the absence of S. Krishna Iyer, Amildar of the Channagiri taluk, on one month's privilege leave, Sheristadar Narasimalu Naidu was appointed to act as Amildar and 3rd Class Magistrate of the Channagiri taluk from 1st to 31st May 1899 (*vide* Government Proceedings No. 7483—R. F. 129-95, dated 20th April 1899).

2. Under Article 82 of the Mysore Service Regulations, the Sheristadar is not entitled to any acting allowance for the first 30 days. But as there is a great difference between the responsibility of an Amildar and Magistrate and that of a Taluk Sheristadar, I beg to submit the recommendation as a special case, for the order of Government. In the analogous case of acting Munsiffs, I believe the appointments are generally made to be *sub pro tem*, so as to give them the full pay of the last grade.

3. I therefore request that the Government may be pleased to sanction payment of the amount mentioned in the accompanying bill.

No. 400-39—P. & A. 25, DATED BANGALORE, 6TH JULY 1899.

ORDER THEREON.—Government do not find it possible to depart from the Codal Rules and to accord special sanction in this case. It is undesirable that Heads of Departments or Deputy Commissioners should make recommendations which are not in strict accordance with the rules in force, and compliance with which would create inconvenient precedents and entail additional expense to the State.

Letter No. 11103, dated the 23rd June 1899, from the Plague Commissioner in Mysore.

I have the honor to forward herewith the file of papers relating to the complaint of one Rangaswami Naidu of Madras against the conduct of Mr. S. K. Hanumantha Rau, Assistant Surgeon at Davangere, in not allowing Rangaswami Naidu's mother to see her dying son, knowing that she had gone from Madras, an uninfected area; and a Memo containing my opinion, for the orders of Government

MEMO.

Petition, dated 23rd February 1899, from T. N. Rangasawmi Naidu of Madras.

This is a petition of complaint from one Rangaswami Naidu of Madras against the Inspecting Medical Officer at Yesvantpur and against Mr. S. K. Hanumantha Rao, Assistant Surgeon, doing duty as Inspecting Medical Officer at Davangere, to the effect—

(1) that his mother, who was a passenger from Madras to Davangere and was going to Davangere to see her dying son, was wrongly entered in the list of passengers coming from an infected area by the Inspecting Medical Officer, Yesvantpur, although Madras was not an infected place, and as a consequence, was, on arrival at Davangere, placed in the Detention Shed, and kept there till next morning;

(2) that Mr Hanumantha Rao, Assistant Surgeon at Davangere in charge of the inspection of arrivals, did not examine the mother and allow her to go home to see her dying son, although he was twice requested to do so by petitioner during the night, and Mr. Hanumantha Rao himself knew the urgency of the case, being the medical man treating the dying son. The result was the son, to see whom petitioner's mother had come all the way from Madras, died during the night without the mother seeing him.

The first item does not call for much consideration. The Inspecting Medical Officer at Yesvantpur appears to have entered the name of the mother in the list of passengers coming from Bangalore which was an infected place, by mistake. His explanation is accepted.

We have next to consider the other and far more serious portion of the complaint: that referring to the inhuman conduct of the Assistant Surgeon at Davangere, Mr. Hanumantha Rao.

The Assistant Surgeon admits in his explanations that the woman was put in the Detention Camp on arrival at Davangere. He admits that he was attending her son, and that he knew he was dying, and that she had come all the way from Madras to see her son, before he died. He admits also that he refused either to go to the camp and examine the mother as requested by petitioner or to allow petitioner to bring his mother to the Assistant Surgeon's house for examination, so that she might be released from detention, and enabled to go and see her son; and he further admits that the petitioner came twice to him, once shortly after the arrival of the train at about midnight, and again at about 3 A. M. in the morning, shewing clearly how urgent his need was.

It only remains therefore to consider how far his explanation of his conduct was or was not satisfactory.

His explanation was to the effect that the petitioner's mother's name had been entered in the list of passengers from an infected area, and that the woman was accordingly taken to the Detention Camp by the Plague Police on duty, that the procedure was for passengers from infected area arriving by the night train to be kept in the Detention Camp till next morning, when the Assistant Surgeon *usually* went and examined them; that such being the procedure, he could not interfere in the matter, and that he explained the situation to the petitioner and promised to have the woman examined early next morning, which he did. Now, as Inspecting Officer, the question whether or not a person need be detained in camp rested solely with him. If it was in his power to have the woman

released in the morning, he must have known it was equally in his power to have her released at any other time he chose to give the order. Again, he must have known that it was solely for his convenience, because he has his ordinary medical duties to perform by day and could not be expected to meet the midnight train each night, that the procedure of placing passengers from an infected area in the Detention Camp for the night so that they could be examined next morning, was adopted. And he must therefore have known that he could, if he chose, and on any night he chose, examine arrivals on the night of arrival instead of next morning. Again, on learning, as he must have learnt from the petitioner that the woman was from an uninfected area, Madras, it must have been plain to him, that either the Davangere Plague Police were making a mistake or the woman had been entered wrongly in the list, and it was his duty to have had the mistake immediately rectified.

Again, as pointed out above, if he had power to release from detention at one time, he had power to do so at any other time, and if he had power to release a person as unsuspicious and healthy, though from an infected area, much more must he have had the power of doing so if the person was from an uninfected area, and only detained under a mistake.

Again, apart from the question of power or duty, there is the question of humanity. Knowing the circumstances, it was surely his duty, a duty which any man with any feeling of humanity in him could not but feel to be an urgent and pressing one, to at once go and do his utmost to get the woman released. Even supposing he had no power over the Police at the camp, even admitting his plea that he could not legally interfere with the Police, it was still his duty, both as a medical man, in the interests of the dying man, his patient, and from the stand-point of ordinary humanity, to go to the camp and assure the Police that there had been a mistake, that the woman was not from an infected area, that she must be released, that he would as Inspecting Medical Officer be responsible for her, but that in any case she must be allowed to see her dying son; but no, that would have involved the inconvenience of turning out at midnight and going to the camp; therefore the "procedure" must be followed, a mother must be detained and kept apart from her dying son, the son must die without seeing his mother for the last time—all because an Assistant Surgeon is too lazy and too wanting in all feelings of ordinary humanity to take the little trouble necessary to procure the woman's release.

It is clear from his further explanation that Assistant Surgeon Hanumantha Rao does not realise the responsibility of his position as Medical Officer, and has allowed departmental differences and disputes to influence his action as Medical Officer in charge of inspection.

I consider, and the Senior Surgeon concurs in my opinion, that the Assistant Surgeon Mr. Hanumantha Rao has been guilty of negligence of duty coupled with a lack of all sympathy and consideration, both with the public under his charge as Inspecting Officer and with a patient in his charge medically, which marks him as unfit for any responsible post. Considering also the fact mentioned in the Senior Surgeon's report that he has already been punished by stoppage of promotion for one year for failing to go and see a planter who was sick, I strongly recommend his reduction to the rank of Sub-Assistant Surgeon, with a direction that he should never be placed in independent charge. The Senior Surgeon had expressed an opinion that the man should be dismissed, and has since agreed to the alternative proposed in the last sentence.

No. 888-90—Mis. 3-93, dated Bangalore, 15th July 1899.

Order thereon.—The summary of the facts of the case as set forth in the Plague Commissioner's Memo received with the letter read above and the Assistant Surgeon's own admissions, show that Mr. Hanumantha Rao was guilty of gross dereliction of duty, and that he betrayed great indiscretion and was wanting in the ordinary feelings of humanity. He has proved himself quite unworthy of the confidence reposed in him by Government. On a careful consideration of the whole case and of the recommendation made by the Plague Commissioner and the Senior Surgeon, Government direct that Assistant Surgeon Mr. S. K. Hanumantha Rao be degraded, as a punishment, to the lowest class of Sub-Assistant Surgeons and placed at the bottom of that class.

2. The Senior Surgeon will be informed that it is inexpedient again to entrust Mr. Hanumantha Rao with any independent medical charge until he gives proof of improved conduct.

Letter No. 176, dated the 7th January 1899, from the Chief Engineer of Mysore.

"I have the honor to inform you that in 1883, the Government approved of the Public Works Department attending to the supply and repair of furniture in all travellers' bungalows in the Province, and accordingly this duty was attended to by the Divisional Officers. But in para 14 of the Revised Regulations for the occupation and preservation of travellers' bungalows, promulgated in Government Proceeding No. 15816-51—Mis. F. 15-96, dated 4th June 1898, it is laid down that the Deputy Commissioners are responsible that the rooms be adequately furnished with plain cots, tables and chairs." I therefore request to be informed whether it is the intention of Government that the supply, &c., of furniture to travellers' bungalows should vest in future with the Revenue Department. There is, however, no objection to the transfer of this duty to the Revenue Department, on which it properly devolves, as that Department is in charge of all travellers' bungalows, and collects and takes the fees.

No. 985-94—G. F. 15-96, DATED BANGALORE, 18TH JULY 1899.

ORDER THEREON.—Government observe that under Rule 14 of the Revised Regulations for occupation and preservation of travellers' bungalows, the supply and repair of furniture must, in future, rest with Deputy Commissioners, on whom it properly devolves as observed by the Chief Engineer.

Letter dated 31st March 1899, from Mr. J. Cook, M. A., submitting the Report of the Committee appointed by Government Proceedings No. 7853-9—Mis. 1770, dated 5th January last, to consider and report on the most appropriate and useful public charity which can be established and maintained out of the proceeds of an investment of Rs. 5,67,331-15-1 made in Government of India Securities carrying 3½ per cent interest under the designation of "Damodar Dass Charities."

No. 1070-1—Mis. 191, DATED BANGALORE, 19TH JULY 1899.

ORDER THEREON.—Having carefully considered the report received with the above, Government are pleased to approve of the marginally noted proposal made by the Committee in Resolution V, on the understanding that the candidates should be selected by a Committee specially appointed by Government for the purpose, from time to time, from among the best graduates of Indian Universities, that they should be such as are likely to complete with success and credit their course of study and research in the selected subjects and that it will be within the discretion of such Committee to hold, if necessary, a preliminary examination for the purpose of selecting the candidates.

"That provision be made for post-graduate scholarships to enable selected candidates to prosecute post-graduate study or research of an advanced scientific or technical character in any University or other institution in India or outside of it, approved by the Mysore Government."

2. The list of subjects given in Resolution VI of the Committee's Report is also approved.

Vide list appended.

3. One-fifth of the annual income from the Fund should be regarded as available for the grant of scholarships for the general education of the members of the Guzerati community, under rules to be sanctioned by the Government for the purpose and the remainder of the annual income for scholarships to selected students in the subjects named in Resolution VI.

4. With the above observations, the matter is remitted to the Committee appointed by Government Proceedings No. 7853-9—Mis. 1770, dated 5th January 1899, with the request that they will be so good as to draft for the approval of Government subsidiary rules to give effect to both departments of the

charity above described. Their attention will be invited to the rules regulating the grant of "Government scholarships to England" published at pages 223, 224 and 225 of the Madras University Calendar for 1898-99.

Correspondence ending with letter No. 210, dated the 8th May 1899, from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore, submitting certain proposals *in re* the enlargement of the Vaccine Institute at Bangalore, in order to enable it to supply the Lanoline lymph required by the several District Boards and Municipal Councils in the Madras Presidency, enumerated in the Proceedings of the Government of Madras No. 58 L, dated the 12th January 1899.

No. 348—MIS. 50, DATED BANGALORE, 5TH JULY 1899.

ORDER THEREON.—In the Proceedings of the Madras Government No. 1905 L., dated 5th October 1897, communicated to this office with the First Assistant Resident's letter No. 4678, dated 5th November 1897, that Government approved the proposal of the Sanitary Commissioner to authorize all Local Boards, including Municipal Councils in the Presidency, to obtain their supply of lymph from the Mysore Government Vaccine Institute at Bangalore. As, however, the question was an important one involving a heavy initial outlay in enlarging the scope of the Vaccine Institute and the subsequent annual cost of maintaining it in a condition of efficiency, some further definite information was requested by the Durbar, and this has been furnished in the Proceedings of the Government of Madras No. 58 L., dated the 12th January 1899, received with the First Assistant Resident's letter No. 357, dated 26th idem, from which it would appear, that certain District Boards and Municipal Councils agree to obtain their supplies of lymph from Bangalore for a period of five years, subject, however, to the condition in many cases, that the lymph supplied by the Mysore Government is of good quality and is readily made available.

2. The Government having carefully considered the question, regret their inability to sanction the enlargement of the Vaccine Institute in the manner proposed, nor do they consider it desirable for the Government to enter into contracts of the kind described with any of the District Boards or Municipal Councils in the Madras Presidency.

3. The Government accordingly resolve that the Bangalore Vaccine Institute should continue to be maintained within the present sanctioned scale of expenditure. Any surplus lymph out of the quantity manufactured by the Institute, which may remain after meeting all requirements within the State, may continue to be sold to applicants from outside the State. The Senior Surgeon will accordingly be requested to issue strict instructions to ensure the Institute being worked within the limits of the present sanctioned scale.

Proceedings of the Government of Mysore.

Letter No. 11074, dated the 21st June 1899, from the Plague Commissioner in Mysore, to the Secretary to the Government of Mysore, Revenue and General Departments.—

"In submitting herewith copies of 3 statements received from the Deputy Commissioner, Bangalore district, showing particulars of reductions proposed to be made in the Plague Police establishment, &c, sanctioned for the Bangalore City and also in the Plague establishment sanctioned for the district, I have the honor to state that I have approved of the reduction proposed by the Deputy Commissioner, with the exception of the provision made for 2 constables, which has been disallowed

2. As will be seen from Statements A & C, the total amount of reductions proposed comes to Rs 3,447*, to which must be added the pay, *viz.*, Rs. 99, of the 11 Police constables who are said to have been deputed to escort convicts from the Central Jail to the Palace for work connected with plague prevention, and also the pay of the marginally noted Police establishment employed in the Malleswaram and Basavangudi (otherwise called Sunkenhalli outpost) extensions, bringing the total amount of reduction to Rs 3,657 per mensem, as shown in the margin†.

Police Force at Sunkenhalli outpost or Basavangudi extension	61
Total	3,657

3 As regards the deputation of the 11 Police constables to escort convicts to the Palace, I have called upon the Deputy Commissioner to report the authority under which this was done. I consider, however, that the pay of these constables, which is not a proper charge upon Plague funds, should, from the date on which they were so deputed, be debited either to the Jail or to the Palace budgets, and accordingly request the issue of necessary orders on the subject.

4. With regard to the Police force employed in the Malleswaram and Basavangudi (Sunkenhalli outpost) extensions, the Deputy Commissioner, while reporting the fact of his having made a separate reference through the Inspector General of Police for its permanent retention, suggests its continuance as a plague establishment until final orders are passed on the reference made by him. Now that this establishment, which was once entertained to guard the interests of people living in health camps, &c., has hardly anything to do with plague, I request the favor of your obtaining Government sanction for its transfer to the Regular Police establishment, with effect from the 15th instant.

5. I may add that though the pay of the watchmen employed in the several burial and cremation grounds is properly debitable to Municipal funds, I have, pending the reduction of the Plague establishments in the City, allowed the same being met from Plague funds."

No. Pg. 11-13, DATED BANGALORE, 3RD JULY 1899.

ORDER THEREON.—Recorded.

2. Separate orders will be passed regarding the two items referred to in paras 3 and 4 of the Plague Commissioner's letter read above.

OFFICE OF THE DEWAN OF MYSORE,
Dated Bangalore, 4th July 1899.

No. Pg. 16.

NOTIFICATION.

The following Notification No. 529, dated the 20th June 1899, issued by the Government of Madras, is republished for general information.

Whereas His Excellency the Governor of Fort St. George in Council is satisfied that there is danger of an outbreak of plague at Gadekal and at Undabanda in the Gooty taluk of the Anantapur district if pilgrims from infected parts are permitted to assemble at those places on the occasion of the following festivals:—

(1) Bheemalingaswami car festival at Gadekal from 16th to 26th July 1899 both days inclusive.

(2) Veerabhadraswami car festival at Undabanda from 7th to 15th August 1898, both days inclusive.

In exercise of the powers delegated to him under the Epidemic Diseases Act I of 1897, His Excellency the Governor in Council prohibits the attendance of persons from plague infected parts at the said festivals.

2. All persons proceeding to the above festivals in contravention of this Notification will be turned back.

No. Pg. 18, dated 4th July 1899.

The following Notification No. 530, dated the 20th June 1899, issued by the Government of Madras, is republished for general information:—

In exercise of the powers delegated to him under the Epidemic Diseases Act I of 1897, His Excellency the Governor of Fort St. George in Council hereby withdraws Notification No. 224, published on pages 66-67 of Part I A of the *Fort St. George Gazette*, dated 14th March 1899, and notifies the Railway Stations of Gudupalli, Kuppam, Mulanur and Patchur on the Bangalore Branch of the Madras Railway for the purposes of the passport rules prescribed in original Mofussil Regulation 17 and in City Regulation 22 published on pages 137-141 of Part I A of the *Fort St. George Gazette*, dated 11th April 1899.

No. Pg. 20, dated 4th July 1899.

The following Notification No. 531, dated 20th June 1899, issued by the Government of Madras is republished for general information:—

In modification of Notification No. 469, published on page 223, Part I A of the *Fort St. George Gazette*, dated 30th May 1899, the following places in India are declared to be infected with plague:—

In the Madras Presidency—(1) Vellore and Wallajah Municipalities and Ranipettai Union in the North Arcot district, (2) Periyabelagondapalli, Nagondapalli, Mukondahalli and Hosur in the Hosur taluk, Salem district.

Outside the Madras Presidency—(1) Mysore Province including the Civil and Military Station of Bangalore; (2) Naldrug, Gulbarga, Lingsugar districts, in the Hyderabad State; (3) Wardha district in the Central Provinces; (4) Bombay Presidency including Sind; (5) the City of Calcutta; (6) the districts of Howrah, Hoogli, Saran, Darbhanga, Dacca and 24 Parganahs in Bengal; (7) Jullandar district in the Punjab.

No. Pg. 29, dated 7th July 1899.

The following Notification No. 956 P, dated the 24th June 1899, issued by the Madras Government is republished for general information:—

Whereas His Excellency the Governor of *Fort St. George* in Council is satisfied that there is danger of an outbreak of plague at the Hogonkad Cauvery in the Dharmapuri taluk of the Salem district, if persons from the State of Mysore, the district of North Arcot, the Hosur taluk in the Salem district and other plague-infected parts are permitted to visit that place on the occasion of the ensuing Adi festival.

In exercise of the powers delegated to him under the Epidemic Diseases Act I of 1897, His Excellency the Governor in Council prohibits the attendance at the said festival of persons from the aforesaid places from the 23rd July to 7th August 1899, both days inclusive.

All persons proceeding to the festival in contravention of this Notification will be turned back.

By Order,

C. SREENIVASIENGAR,

Memo No. Pg. 30.

Copy to the Plague Commissioner for information.

READ—

The following letter No. 9, dated the 1st July 1899, from the Plague Commissioner in Mysore to the Secretary to the Government of Mysore, General and Revenue Departments.

I have the honor to submit herewith 3 * Statements A B and C showing the particulars of allotments made (1) from Provincial Funds; (2) from Local Funds General for rural sanitation and (3) from Municipal Funds for sanitation in District and Minor Municipalities in connection with plague prevention measures, and the expenditure incurred therefrom up to the end of May 1899, and to request that you will be so good as to obtain Government sanction for another lakh of rupees being placed at my disposal for adjustment of the expenditure already incurred and to meet pressing demands from the Deputy Commissioners.

* With a consolidated statement

2. Though the amount for which accounts have been rendered by this office is Rs. 37,947-11-3 as shown in Col. 12 of Statement A, letters of credit were obtained from the Comptroller only to the extent of Rs 12,500 leaving a sum of Rs. 25,447-11-3 at my disposal. Adding to the above Rs. 6,878-15-9, the amount available as per Col. 15 of the Statement, the total amount at my disposal at the end of May 1899, was Rs. 32,326-11-0, out of which I have placed a sum of Rs. 29,000 at the disposal of the marginally * noted officers for expenditure during the current month and the balance now with me is only Rs 3,326-11-0.

The President, City Municipality, Mysore ...	5,000
The Deputy Commissioner, Tumkur ..	.. 2,000
Do, Kadur ...	.. 1,500
Total	29,000

3. As there was some delay in the Comptroller furnishing the accounts of the actual expenditure incurred by this office for which letters of credit were applied for, the expenditure of Rs. 18,403-1-1 referred to in paras 2 and 4 of my letter No. 8715, dated 29th

March 1899 (printed with Government Proceedings No. 42-43—D. H. O., dated 6th April 1899), which has now come up to Rs. 25447-11-3 * as stated above, could not be adjusted out of the one lakh of rupees sanctioned in Proceedings No. 42-43—D. H. O., dated 6th April 1899. And the marginally † noted officers have incurred as shown in Col. 15 of the Statement, an excess expenditure of Rs. 39,749-0-4, a portion of which has however been ordered to be adjusted out of the amount since allotted. A sum of Rs. 65,196-11-7 is now required to adjust both the abovementioned items.

* Including the value of certain machines entered in the Comptroller's account about which further information has been called for.

Do, Kadur	...	... 1,873 8 5
Do, Chitaldrug		... 1,977 8 0
	Total	... 39,749 0 4

4. I may observe that though the sum total of the balance at the disposal of the disbursing officers is Rs. 63,624-2-8 excluding the excess expenditure of Rs. 39,749-0-4 above referred to and may appear to be large, yet the sum of Rs. 27,943-7-6 remaining with the Sanitary Engineer on account of sanitary improvements in the Bangalore City cannot be transferred to other works and out of the balance, I have called upon the Deputy Commissioner, Mysore district, to utilize a sum of Rs. 10,000 (from the large balance of Rs. 12,107-7-5 standing against the district) for adjustment of the excess expenditure incurred in the City, and for current expenses, thereby reducing the balance to Rs. 25,680-11-2.

5. The balance in cash with disbursers, as per Col. 13 of Statement A is Rs. 24,274-3-6 which is held as imprests in small sums varying from Rs. 404-10-1 to Rs. 2,748-2-0, except in the case of the Bangalore City in which the imprest amounts to Rs. 8,431-8-4 and it is not possible to curtail it still further.

6. As will be seen from Statements B and C the allotments from Local Funds General and Municipal Funds which have been separated from Statement A, had to be reduced from the original figure as furnished by the Comptroller by Rs. 12,000 as it was subsequently found that this amount, which had lapsed to Government at the end of the past official year, had been included in the monthly accounts furnished by that officer up ot the end of October 1898.

7. The Deputy Commissioners of the marginally noted districts have not utilized to any appreciable extent the grant made from the Local Funds General, and the Deputy Commissioners of Tumkur and Hassan have not incurred any expenditure in improving the sanitation of villages. The amount spent by District and Minor Municipalities has been very little, except in the districts of Tumkur and Kolar. Therefore, a sum of nearly Rs. 45,000 will lapse to Government out of the grant of Rs. 52,400.

* Up to end of April 1899.

I therefore request that early orders may be passed for placing the sum of one lakh at my disposal for allotment as shown in para 3 above.

No. PG. 40-41, DATED BANGALORE, 10TH JULY 1899.

ORDER THEREON.—**Government are pleased to sanction a further grant of one lakh of rupees to be placed at the disposal of the Plague Commissioner in Mysore to enable him to adjust the expenditure already incurred and to provide funds for current and future plague expenditure.**

Letter No. 9680, dated the 2nd May 1899, from the Plague Commissioner in Mysore, forwarding a D. O. letter from Mr. Hume Wright, Special Magistrate, Kolar Gold Fields, dated the 25th April 1899, and recommending that, as a special case, he may be granted two months' special privilege leave for doing plague duty in addition to the privilege leave earned by him under the ordinary rules, and subsequent correspondence ending with letter No. 4673—1019, dated the 27th May 1899, from the Deputy Commissioner, Kolar district.

2. Letter No. A., dated the 19th May 1899, from Mr. P. R. W. Wetherall, Sub-Division Officer, Saklespur, now Chief Plague Officer, Mysore City, to the address of the Deputy Commissioner, Mysore district, received through the Plague Commissioner in Mysore, with letter No. 11121, dated the 23rd June 1899, requesting that, in consideration of the arduous nature of the plague work he has been employed upon, he may be granted special plague leave to the extent to which he may, in the opinion of Government, be entitled, in addition to the privilege leave he has earned under the ordinary rules.

No. Pg. 73-112, DATED BANGALORE, 17TH JULY 1899.

ORDER THEREON.—Government are pleased to direct that the concessions to be granted for plague service in the Mysore State be in accordance with rules sanctioned in British India which are as follows:—

1. (i) To officers who have been employed on *executive* duties connected with plague for a period of not less than five months;
either (*a*) one month's extra privilege leave, or
(*b*) full pay instead of half pay for the first two months of furlough or other leave for which half pay is ordinarily admissible.

(ii) To officers so employed for a period of not less than ten months;
either (*a*) two months' extra privilege leave, or
(*b*) full pay instead of half pay for the first four months of furlough or other leave as above.

2. The grant of the above concessions is subject to the following explanations and limitations:—

(i) The concessions are admissible in the case of plague duty in such districts as may have been declared by Government to be infected.

(ii) They are not admissible to any officer whose duty in connection with plague has not, in the opinion of Government, been so unusually arduous as to render him deserving of them, or who has been specially appointed to such duty and has been remunerated during the performance of it by special salary or allowances.

(iii) The extra privilege leave admissible under this order may be taken in combination with privilege leave earned under the ordinary rules, provided that the total amount of privilege leave so taken at one time shall not exceed three months. Any balance of privilege leave which cannot be taken in consequence of the three months' limit will remain at credit to be taken under the ordinary rules.

(i) The concessions are admissible in the case of plague duty in such districts as may have been declared by Government to be infected.

(ii) They are not admissible to any officer whose duty in connection with plague has not, in the opinion of Government, been so unusually arduous as to render him deserving of them, or who has been specially appointed to such duty and has been remunerated during the performance of it by special salary or allowances.

(iii) The extra privilege leave admissible under this order may be taken in combination with privilege leave earned under the ordinary rules, provided that the total amount of privilege leave so taken at one time shall not exceed three months. Any balance of privilege leave which cannot be taken in consequence of the three months' limit will remain at credit to be taken under the ordinary rules.

(iv) The concessions will ordinarily cease to be admissible after the 15th November 1899, but may, in special cases, be carried on beyond that date in cases where the exigencies of the public service have necessitated the refusal of leave when applied for and have thus prevented the grant of the full concessions earned, within the prescribed period

(v) Any officer eligible for the concessions may choose between the alternatives (*a*) and (*b*) of paragraph 1 at the time he applies for leave.

EDUCATION

Proceedings of the Government of Mysore,

READ—

Report on Public Instruction in Mysore for 1897-98, and also report of the Central College, Bangalore, for the same year, submitted with letter from the Inspector General of Education, No. 7462-248, dated the 17th March 1899.

NO. 132—ED. 10, DATED BANGALORE, 3RD JULY 1899.

ORDER THEREON.—During the year 1897-98, the total number of educational institutions, public and private, diminished from 3,960 to 3,795, and the number of pupils under instruction from 114,614 to 110,970, of whom 95,472 were boys and 15,498 were girls. While Government institutions have increased by 79 and their pupils by 104, the private or indigenous institutions show a decrease of 244 schools and 3,748 pupils. This decrease is due mainly to the unhealthy seasons and scarcity that prevailed during the year, and also partly to the conversion of some village schools into aided institutions. The percentage of boys and girls under instruction to the male and female population of school-going age was respectively 26·16 and 4·29 against 27·42 and 4·01 in the previous year.

2. The aggregate expenditure of the Education Department was Rs. 9,87,430 as against Rs. 9,16,694 and was met as shown below :—

	1896-97.	1897-98.	Difference.
	Rs	Rs.	Rs
From State Funds ..	4,77,576	5,63,017	85,441
From Local Funds . .	2,05,555	2,11,694	6,139
From Municipal	33,422	33,254	—168
From Fees . .	96,188	98,912	2,724
All other sources . .	1,03,953	80,553	—23,400
Total	9 16,694	9,87,430	70,736

3. The results of the various University and other examinations do not call for detailed notice. From both the First Grade Colleges, 62 candidates passed the English Language Branch and 46 the Second Language Branch of the B. A. Degree Examination, 5 passed in Mathematics, 14 in Physics (from the Central College) and 11 in History (from the Maharaja's College). Geology was added to the Science subjects taught in the Central College for the B. A. Degree Examination. 48 candidates passed the F. A. Examination, and 147 the Matriculation Examination of December 1897, the percentage of success being on the whole above the average in each case. In the Vernacular Upper Secondary Examination, 40 candidates passed out of 72. The results of the Mysore Lower Secondary Examination were again unsatisfactory; only 237 candidates with English as their first language and 616 with Sanskrit or a Vernacular as a first language having passed, out of a total examined of 783 and 1,225 candidates, respectively. Mr. Bhabha anticipates an improvement in the teaching of English from the recent introduction of a revised curriculum for Anglo-Vernacular Schools.

4. *Special Schools.*—The number of Night Schools continued to be very small (48), in spite of grants-in-aid and other forms of help. The three District Normal Schools at Mysore, Shimoga and Kolar are reported to have worked satisfactorily. The Government are glad to learn that the Industrial School at Mysore showed considerable improvement during the year, and that good work was also done by the other smaller Industrial Schools. Scholarships to the extent of Rs. 12,769 were paid during the year to students undergoing technical and professional education of different kinds. The special schools for the

depressed castes increased from 45 to 49 and had 1,346 pupils, of whom 194 were girls. In the Indigenous Schools there were 842 boys and 26 girls, and in other Public Schools 218 boys and 42 girls. The total number under instruction of children belonging to the depressed classes was 2,474.

5. *Female Education.*—The number of Girls' Schools increased from 170 to 186. Of these, 107 were maintained by Government, 76 were aided and three were unaided. The total number of girls under instruction was 15,498, or 974 more than in the previous year. The aggregate expenditure on female education was Rs. 1,26,578, or Rs. 10,061 in excess of the expenditure incurred in the year 1896-97, and was made up of Rs. 84,620 from State Funds, Rs. 2,552 from Local Funds, Rs. 1,284 from Municipal Funds, 657 from fees, and Rs. 37,465 contributed by private bodies and individuals. The expenditure from State Funds on the Maharani's Girls' School alone amounted to Rs. 35,687. Mr. Bhabha bears testimony (in para 81 of his Report) to the excellent work done by the late Miss Vokins as Lady Superintendent of this school. Four girls passed the Upper Secondary Examination; three, the Upper Secondary Teachers' Certificate Examination; and three, the Lower Secondary Examination in English, and 12 in Kannada. But in the Matriculation Examination, none of the four female candidates who went up was successful.

6. *Publications, &c.*—The Oriental Library continued to acquire manuscripts of Sanskrit and Kannada works, of which 451 were secured during the year, and made several additions to the series of works published by it. The number of publications registered during the year was 113 (88 books and 25 periodicals); and of these, 46 were educational and 67 non-educational. Encouragement of literary work, either in the shape of remuneration in money or by the purchase of copies, was afforded at a total cost of Rs. 3,971.

7. *Inspection.*—A fair amount of inspection work was performed, except in the Mysore district, by the Deputy and Assistant Deputy Inspectors during the year under review. The Inspector General himself made a prolonged tour through all the districts between June and August 1898.

II. The following communications from the same Officer.—

(1) Letter No. 9399—323, dated 23rd May 1899, stating that a sum of Rs. 5,234-8-0, being the cost of the Gas Engine and Dynamo installation set up in the Central College, Bangalore, sanctioned in Government Proceedings No. 9464-68—Ed. 207, dated 14th February 1899, has not been included in the budget and requesting that the omission may be supplied.

(2) Ditto No. 8444—273, dated 18th April 1899, submitting two lists of probationary teachers in Taluk Anglo-Vernacular and Vernacular Schools, who are eligible for promotion to the rank of Assistant Masters on Rs. 7 a month, in accordance with Government Proceedings No. 6386—Ed. F. 23-96, dated 3rd December 1896, and requesting that their promotion be sanctioned from 1st July 1899, at a cost of Rs. 95 per mensem or Rs. 1,140 per annum and that the amount be included in the budget for 1899-1900.

(3) Ditto No. 9085—307, dated 11th May 1899, submitting a list of Anglo-Vernacular and Vernacular Schools maintained from the State Funds, which require additional hands, and requesting that a provision of Rs. 9,792, necessary for the purpose, be sanctioned and included in the budget for 1899-1900.

(4) Ditto No. 9104—309, dated 13th May 1899, requesting the sanction of Government for Rs. 73,996 required from State Funds, as appropriations on account of new as well as incomplete buildings during the official year 1899-1900.

(5) Correspondence ending with letter No. 9431—325, dated 23rd May 1899, on the subject of appointing a writer on Rs. 15 to each of the marginally noted High Schools, and of increasing the pay of each of the two writers of the Tumkur and Chikmagalur High Schools from Rs. 12 to Rs. 15, both the proposals involving a monthly additional cost of Rs. 81.

III. Letter No. 7683, dated 6th June 1899, from the Comptroller to the Government of Mysore, requesting that the State Fund budget estimates of the Education Department be sanctioned and forwarded to his office.

No. 1455-56—Ed. F. 2-96, DATED BANGALORE, 28TH JULY 1899.

ORDER THEREON.—The budget estimates of the Education Department, submitted by the Inspector General with the first of the letters read above as corrected in this office in accordance with his letter No. 9399—323, dated 23rd May 1899, were as follows:—

	1898-99.	1899-1900.	Increase.	Decrease.
	Rs.	Rs.	Rs.	Rs.
Receipts .	93,357	93,857	500	
Expenditure.	6,16,001	6,08,841	...	7,160

2. An additional grant of Rs. 5,000 was sanctioned in Government Proceedings No. 14463-65—Ed F. 19-96, dated 24th June 1899, to supplement the budget provision of Rs. 6,16,001 for last year, the amount being required by the Public Works Department on account of certain incomplete school buildings. This amount is included under expenditure for 1898-99 in the revised budget statement (*vide* para 12).

3. The increase of Rs. 500 anticipated by the Inspector General under "Receipts" from sale of books, &c., is accepted.

4. Under "Expenditure" the Inspector General has, both before and after the submission of the budget to Government, in his communications cited above, suggested the inclusion of additional grants under certain heads. Regarding the timely submission of such proposals, the attention of the Inspector General is drawn to the instructions conveyed in para 3 of Government Proceedings No. 3209-10—Ed. F. 2-96, dated 6th September 1898, and he is requested to strictly conform to them.

5. The lists of probationary teachers in Taluk Anglo-Vernacular and Vernacular Schools who are eligible for promotion, received with the Inspector General's letter No. 8444—273 dated 18th April 1899, are approved and the provision of Rs. 1,140, (as per details in Statement A attached) required for the purpose is sanctioned.

6. The additional hands required for the Anglo-Vernacular and Vernacular Schools at a cost of Rs. 9,792 a year (as per details in Statement B attached) are sanctioned in accordance with the recommendations contained in the Inspector General's letter No. 9085—307, dated the 11th May 1899.

7. The Inspector General has reduced the budget estimates for taluk school buildings to the normal provision of Rs 10,000, but he has separately submitted, for the consideration of Government a list of new building works and appropriations for incomplete buildings which will be required during the current official year, estimated at a cost of Rs. 73,996, and has accordingly recommended that the allotment for buildings be raised to this figure. The amount proposed, however, being too large for appropriation in a single year, the provision of Rs. 30,000 made last year will be repeated for the current official year to meet the necessities of works more urgently required. The Inspector General is requested to submit, as early as possible, a detailed statement of the allotments to be made out of this provision for (1) meeting the cost of the annual repairs and alterations to existing buildings, for (2) completion of buildings in progress and for (3) erection of *new* buildings.

8. For the reasons stated by the Inspector General in his letter No. 5932—188 dated 8th January 1899, a writer for each of the High Schools in Channapatna, Chitaldrug, Chikballapur, Hassan and Kolar, seems necessary and their appointment is accordingly sanctioned. But their starting pay will be fixed at Rs. 12 (per mensem) rising to Rs. 15, after an approved service of three years. The cases of the two writers of the High Schools at Tumkur and Chikmagalur will be similarly dealt with The necessary provision of Rs. 720 a year is entered in the budget.

9. As regards the building grant of from Rs 6,000 to Rs. 8,000, recommended by the Inspector General in aid of the proposed school for Europeans and Eurasians at the Kolar Gold Fields, it is observed that a grant of only Rs. 6,000 or ⅓rd of the cost of erection is admissible under the rules but, as a special concession, Government are pleased to sanction the maximum grant of Rs. 8,000 together with a grant of Rs. 1,000 for furniture in consideration of the fact that the Mining Boards have liberally subscribed Rs. 10,000 and that the necessity for a school of the kind proposed has been clearly made out. The grant is conditional upon the total cost of the building being not less than Rs. 18,000, and is further subject to the conditions prescribed in the Inspector General's letter No. 9852—350, dated 5th June 1899. The normal provision of Rs. 5,000 under the major head "Grants-in-aid" and against "Building Grants" is accordingly raised to Rs. 10,410 to meet all requirements as shown below:—

(1) Rs. 700, sanctioned in Government Proceedings No. 14163-4—Ed. F. 26-96, dated 15th June 1899.
(2) Rs. 710, sanctioned in Government Proceedings No. 697-98—Ed. 23, dated 12th July 1899.
(3) Rs. 8,000, provision for the proposed school at Kolar Gold Fields (building grant).
(4) Rs. 1,000, provision for the proposed school at Kolar Gold Fields (furniture grant).

Rs. 10,410

10. A monthly grant of Rs. 200 recommended in aid of the proposed school at the Kolar Gold Fields, is also sanctioned with effect from the date the school is actually opened, subject to the conditions laid down in the Inspector General's letter No. 9853—351, dated 5th June 1899, and Rs. 2,400 are accordingly provided in the budget therefor.

11. Besides the above provisions, certain additional charges, which have been sanctioned upon separate references made by the Inspector General, have also been included in the budget as per details in Statement C attached.

12. With the above remarks, the State Fund budget estimates of the Education Department for the year 1899-1900 are sanctioned as per appendix, of which an abstract is given below :—

Proceedings of the Government of Mysore,

READ—

Report on the Administration of Civil Justice in the Mysore State for the year 1897-98.

No. 56—J. 1, DATED BANGALORE, 3RD JULY 1899.

ORDER THEREON.—The total number of original suits instituted during the year under review was 27,687, showing an increase of 3,589 cases over that of 1896-97. Of this number, 13,263 were small causes and 14,424 regular suits. The increase was only in the Munsiffs' Courts, in which 14,016 ordinary suits as against 12,133 and 11,002 small causes as against 7,015 were filed. Deducting 70 regular suits instituted in the District Courts and 338 regular and 2,261 small cause suits instituted in the Courts of Subordinate Judges, as against 75, 359 and 4,516, respectively, of previous year, the rest, amounting to 90 per cent of the entire number, were instituted in the Courts of Munsiffs.

The aggregate value of the matters in suit was Rs. 41,42,752 or a little less than half a lakh in excess of that for the year 1896-97. Only 1,430 suits or 5·16 per cent of the total number related to real property. The bulk of the litigation or 71·2 per cent was of the simplest character, being based on contracts.

2. Including 6,512 suits pending from the previous year, there were 34,199 suits in all for disposal, of which 26,755 were disposed of, and the remaining 7,444 cases (or about 21 per cent) were pending. The pending file was heavy, taking into consideration the fact that only about 24 per cent of the total number represented contested suits.

3. The figures given in para 57 of the report, with regard to the average duration of suits in the different classes of Courts, can hardly be said to be uniform. Taking contested cases alone, the average duration of a suit in the Court of a Munsiff stood at 105·6 days, in that of a Subordinate Judge at 193·27 days, and in that of a District Judge at 503·95 days, while individual Courts of the same class differed considerably among themselves in this matter. The case with regard to uncontested suits is also similar. It must, however, be said that the average duration of suits in District Courts was disproportionately high, and that in the other Courts also it was capable of reduction.

4. There were 34,408 applications for execution as against 30,948 in the previous year. The amount realized by the issue of process was Rs. 4,24,540, and without the issue of process Rs. 80,285, against Rs. 4,11,224 and Rs. 85,176, respectively, in the previous year. Judgment-debtors were arrested in 900 cases. Out of 214 applications presented for the benefit of insolvency, 36 were granted.

5. The miscellaneous original cases disposed of numbered 12,357 against 12,220, and those pending 1,558 against 1,132 in the previous year. It is noted that the average duration of contested miscellaneous cases increased from 62·28 to 85·20 days.

6. The number of appeals instituted before the various Subordinate Appellate Courts was 711, or, including 101 appeals transferred to the District Judge of Nundydroog, 812. But the appeals pending at the close of 1896-97 were as many as 1,040; and consequently, the Courts concerned had 1,852 cases for disposal. Of these they were not able to dispose of more than 666 cases, or barely over a third of the entire file, which resulted in 1,186 cases being left undisposed of at the end of the year. This is not satisfactory, and it is hoped that the Chief Court will impress upon the Courts concerned the necessity for more expeditious disposal of cases in future. Including the number filed and in arrears, and exclusive of the number transferred to other Courts, the Chief Court had 618 original appeals and 249 second appeals to dispose of; and of these, it disposed of 401 and 121, respectively, as against 200 and 133 of previous year, leaving 446 appeals of both kinds pending at the close of the year. The above figures do not include miscellaneous appeals, of which there were in all 286 for disposal, and 189 were disposed of, 87 by the Chief Court and 102 by the Subordinate Courts.

7. The results of appeals need not be more than briefly alluded to. In 723 cases the decrees of lower Courts were confirmed, in 279 they were either modified or reversed, and in 85 they were remanded either for disposal on the merits or for submission of findings on additional evidence.

8. The average duration of appeals must be pronounced high. It was 706·13 days in the Court of the District Judge of the Nagar division, and 520·6 days in that of the Sub-Judge of Shimoga, figures which are considerably higher than those for the year preceding. This is attributed to the disposal of long pending appeals, which, it is to be hoped, have now been all disposed of. The average duration of cases in the Courts of the District Judge, Ashtagram division, and the Sub Judge of Mysore, was also high, being 384·6 days in the former and 301 8 days in the latter. First appeals before the Chief Court occupied on an average 368·56 days and second appeals 265·64 days.

9. The total receipts of Civil Courts from all sources amounted to Rs 4,45,376 or Rs. 39,105 over the receipts for the previous year; while the total charges of establishment amounted to Rs. 3,48,858, or Rs. 6,169 below the charges for the same period. The excess of income over expenditure accordingly shows an increase from Rs. 51,244 to Rs. 96,518.

10. None of the Subordinate Courts was inspected during the year either by the Chief Court or the District Judges, except the Munsiff's Court at Hassan.

Report on the working of the Mysore Companies' Regulation III of 1895, for the 12 months ending 31st March 1899, received with letter No. 11, dated the 28th April 1899, from the Registrar of Joint Stock Companies in Mysore.

No. 139—J. 14, DATED BANGALORE, 3RD JULY 1899.

ORDER THEREON.—Nine Agricultural Banks were newly opened during the year, raising the number of such Banks to 63. Of the 83 Companies limited by shares, two were voluntarily wound up, and a third ceased to work at the close of the year; thus in all, 143 Companies were at work at the close of the year, whose operations are reported to have suffered in consequence of the prevalence of plague during the latter half of the year.

2. Only one Company increased its capital from Rs. 30,000 to Rs. 40,000, while owing to the closing of the three Companies referred to above and the withdrawal of some shares by the members of the other Companies, the aggregate nominal and paid-up capitals fell from Rs. 43,10,000 and Rs. 23,26,748 to Rs. 41,80,000 and Rs. 22,33,428, respectively, during the year.

3. The total number of members of the Agricultural Banks increased from 2,103 to 2,911.

4. The number of documents registered was 424, or 50 less than in the previous year. The fees collected amounted to Rs. 313 as against Rs. 749-4-0 of the preceding year.

5. No prosecution was instituted during the year against any of the Companies.

Letter No. 8—8, dated the 3rd July 1899, from the District Magistrate of Chitaldrug, to the Secretary to the Government of Mysore—

I have the honor to state that constable No. 337, of the Settur station of the Kalyandrug taluk in the Anantapur district, produced, on the 14th June 1899, before the Amildar and 2nd Class Magistrate of Challakere for endorsement, 5 warrants issued by the 2nd Class Magistrate of Kalyandrug taluk for the arrest of the marginally noted 5 accused persons charged with the offence of committing theft of sheep in the village of Pilpalli of the Kalyandrug taluk. The accused were reported to have fled into this Province and were residing in the village of Siravala of the Challakere taluk.

1. Timma alias Hanumanta
2. Govinda.
3. Sanjiva alias Voliga
4. Narasimha
5. Hanumantaon.

(2) The Taluk Magistrate of Challakere having felt some doubt as to whether he could endorse the warrants which had not been received through proper channel, as laid down in the Police Order regarding the arrests in Foreign Territory, referred the matter for my orders.

(3) On a reference to the correspondence ending with Government Proceedings No. 6226-35—J. 668 of the 18th November 1898, I thought that when any persons residing in a Foreign State are wanted by the Magistracy of the British Territory for trial on charges of offences for which extradition can be demanded, a warrant should be sent through the Political Agent for the surrender of such persons. As this procedure was not adopted in the present case, I declined to order the surrender of the accused persons to the British Police, and at the same time took precautions to have the said persons arrested and remanded to lock-up pending receipt of a formal warrant through the proper channel, as they seemed to have no permanent place of abode.

(4) Accordingly 4 of the 5 accused persons, *viz*, Timma *alias* Hanumanta, Govinda, Sanjiva *alias* Voliga and Narasimha were arrested at Obalapur on the 18th ultimo and were produced before the Amildar-Magistrate of Challakere for remanding them to lock-up, pending receipt of application from the British authorities.

(5) In the meantime, letter No. 321, dated 30th June 1899, was received from the District Magistrate of Anantapur accompanied by a statement of the evidence forthcoming in the case against the said accused persons. In that letter the District Magistrate requests me to issue a warrant for arresting those persons and to deliver them up.

(6) I even now feel doubt whether all the requirements of the Standing Orders of the Madras Government have been complied with and whether the application should not be made through the British Resident in Mysore.

(7) I beg therefore that instructions may be issued in the matter. If the Government think that necessary application should be received through the British Resident for the surrender of those persons, the Resident may be kindly moved to issue necessary instructions to the Magistracy in British Territory for adopting the proper course in the matter.

8. The entire correspondence on the subject is herewith submitted for reference.

2. Notification No. 111, dated the 23rd July 1878, of the late Chief Commissioner of Mysore—

Under the authority of His Excellency the Viceroy and Governor General in Council the Chief Commissioner directs that all criminal processes of whatsoever description, when issued by any Magistrate having jurisdiction in any District of British India, shall be acted upon and executed by all Magistrates and Police Officers in Mysore, under the same conditions, and in the same manner, as if such process had been issued by a Magistrate having jurisdiction in Mysore.

No. 1075-84—J. 93, DATED BANGALORE, 19TH JULY 1899.

ORDER THEREON.—The District Magistrate has apparently been misled by the extract from the Madras Government Order No. 219, Political, dated 12th April 1875, which appears at page 3 of the Government Proceedings No. 6226-35—J. 668, dated 18th November 1898, referred to by him. That order has no

application to the Mysore State in which the action of Magistrates and Police Officers in respect of criminal processes issued by Magistrates having jurisdiction in British India is regulated by the late Chief Commissioner's Notification No. 111, dated 3rd July 1878, read above. The correct procedure in such cases is further explained in para 2 of the Durbar's letter No. 3038—J. 335, dated the 2nd September 1898, as also in para 4 of the Resident's letter No. 4830—320, dated the 19th idem, printed in the Government Proceedings above referred to. In the present case, therefore, the arrest of the persons covered by the warrants produced by the constable of the Settur station of the Kalyandrug taluk, was perfectly legal and their surrender to the British authorities should not have been delayed.

Letter No. 4833—405, dated the 30th June 1899, from the Inspector General of Police in Mysore, to the Secretary to the Government of Mysore

In submitting Report No. 631, dated 16th June 1899, of the Deputy Commissioner of Chikmagalur, I have the honor to state that during my last tour in the Chikmagalur and Hassan districts, I had interviews with Mr Pilkington and Mr. Parton at Koppa and with Mr. Park, President of the South Planters' Association at Saklespur. The former belong to the North Planters' Association and had no serious complaints against the police of Koppa but only against the working of the Breach of Contract Act, warrants issued under it for the arrest of coolies in the maidan being returned unexecuted in good many cases. I promised to enquire into the question if they mentioned the cases in which the service was unsatisfactory. They also said that though petty coffee thefts had gone down, no receivers of stolen coffee had as yet been detected and punished and that till that was done the thefts could not be entirely prevented.

Mr. Park was elected President only recently and wanted time to place before me the complaints of Planters referred to in the article. He told me that the police had visited his estates during the coffee picking season and that beyond the fact that beat constables had some times failed to call at the estates, he had no specific complaints to make against the Police. He further admitted that coffee stealing had materially diminished within the last 8 or 9 years and that the impeachment of the malnad police generally, contained in the Secretary's report was too strong and explained that owing to the absence of the Secretary from the meeting through indisposition, the question was not discussed as it might have otherwise been.

On receipt from him of the specific complaints of the Planters, I shall place myself in communication with the Deputy Commissioner of Hassan and shall take necessary action.

ENCLOSURE.

Letter No. 631, dated 16th June 1899, from the Deputy Commissioner of Kadur, to the Secretary to the Government of Mysore, through the Inspector General of Police in Mysore.

With reference to your docket No. 12717—A. 1583 of the 8th May 1899, forwarding for enquiry and report through the Inspector General of Police a cutting from the *Madras Times* of the 4th May 1899, headed "Lawlessness" *in re* the general inefficiency and unreliability of the malnad police force complained of by the South Mysore Planters' Association in their report of the annual general meeting, dated the 30th April 1899, I have the honor to state as follows:—

2. I met Mr. Park the President of the Association at Mudgere on the 25th May 1899, he having very kindly come there from Saklespur, as requested by me. In the course of conversation he said that the complaint of delay, &c., on the part of the Police in executing warrants referred more or less to the Hassan district. He, however, promised to make enquiries and write to me. I then wrote to him letter No 1613 of the 25th May 1899, as follows:—

"In the para touching the police you say (1) that there is delay in serving warrants issued under the Criminal Breach of Contract Act, (2) that difficulties are placed in the way of the men sent to point out the persons to be arrested, (3) that the police do not visit the coffee estates (as often as is advisable) during the picking season, (4) that the malnad police are generally inefficient and unreliable and (5) that it is necessary to detect the Baskull murder in which a cooly of a coffee estate was way-laid, robbed and murdered while returning to the estate after cashing notes:

"In regard to points (1) and (2) I beg to be informed of a few cases in which the execution of warrants was needlessly delayed, and the police acted in an obnoxious manner towards the men sent to point out the persons to be arrested. If I be favored with this information, I will be able to take due notice of the conduct of the officials concerned.

"With reference to point (3), I beg to state that the police will be directed to visit the coffee estates oftener than now during the picking season, and I trust you will not have occasion to complain again on this score.

"Point (4) is, I am constrained to state, much too general to admit of any action being taken. Point (5) has been settled. The murderer has been discovered, tried and convicted."

3. In his reply letter of the 28th May 1899, Mr. Park stated that he would reply to the above letter in a few days' time, after a Committee meeting of the Association.

4. On the 3rd June 1899, Mr. Playfair, the Secretary of the Association, wrote to say that they "had Committee meeting and called for detailed information *re* inefficiency of police" and that the Inspector General of Police would "be communicated with in due course." He further stated that from the notes left by his predecessor he had come to know that copies of letters from Messrs. Park, Aird, J. G. Hamilton and T. Hunt had been forwarded to the Deputy Commissioner of Hassan on the 24th January 1899, and that those letters might have been seen by the Inspector General.

5. In reply, I asked him in my letter No. 1647 of the 7th June 1899, that, as I had been required by Government to investigate the matter and report thereon, I might be obligingly favored with the details wanted, adding that the President of the Association had kindly promised to give them after a Committee meeting. I requested, however, that if the complaint made did not refer to this district, I might be informed to that effect.

6. In his reply letter of the 9th June 1899, he says that he has issued a circular calling on the members to send cases up for being forwarded to the Inspector General as instructed by the Committee, adding that I would be kept informed and furnished with particulars if any case concerned this district.

7. Under these circumstances I do not think it necessary to delay making this reply. Should any case of delay, &c., touching this district be brought to notice, needful action will be taken and if necessary a report thereof will be made to Government through the Inspector General of Police.

8. The cutting from the *Madras Times* received with the docket under reply, is herewith returned for reference.

Government Proceedings No. 10535—J. 1290, dated 9th March 1899

Read subsequent correspondence ending with letter No. 41, dated the 10th July 1899, from the Inspector General of Registration.

No. 1309—J. 115, DATED BANGALORE, 25TH JULY 1899.

ORDER THEREON.—Under Rule 7 of the Registration Rules published in the *Mysore Gazette*, dated the 26th August 1871, page 588, a District Registrar was empowered to fine Sub-Registrars, for delays in the transmission of returns or for neglect of duty, in a sum not exceeding Rs. 5. In his letter No. 706, dated 18th February 1899, the Inspector General suggested the cancelment of the rule and recommended that, as in the Madras Presidency, the Inspector General alone may be empowered to fine. In para 2 of their Proceedings No. 10535—J. 1290, dated 9th March 1899, Government enquired whether, having regard to the status of a Sub-Registrar and the importance of his office, inattention to or neglect of duty would not be more suitably punished, after sufficient warning, by suspension or reduction in grade rather than by imposition of a fine. In reply, the Inspector General now reports that on a re-consideration of the question, he is of opinion that the mode of punishing Sub-Registrars with fines may be done away with altogether and the Rule of 1871 abrogated, and that it will be quite sufficient if the power of suspending and transferring Sub-Registrars be delegated to the Inspector General. The Government are accordingly pleased to direct that the rule above referred to be cancelled.

2. If, after due warning, a Sub-Registrar is found guilty of misconduct or neglect of duty, the Inspector General of Registration is empowered to suspend him for not more than three months and to submit a full report of the circumstances of the case, without delay, for the orders of Government.

3. Whenever the immediate transfer of a Sub-Registrar from one station to another is called for in the interests of the Department, or to meet the exigencies of the public service, the Inspector General is authorized to order such transfer in anticipation of sanction, a report of his action being made to Government for approval and notification of the transfer in the Official Gazette.

The Report on the Administration of the District Funds of the Tumkur Circle for 1897-98, received with President's No. 478, dated 26th January 1899.

No. 350-5—L. F. 37-98, DATED BANGALORE, 5TH JULY 1899.

ORDER THEREON.—The District Fund Board of the Tumkur Local Fund Circle consisted of 14 official members and 7 non-official members. They held four meetings during the year 1897-98 and the attendance of members was, on the whole, satisfactory.

2. Including the balance in favor of the Board on the 1st July 1897, the sum available for expenditure during the year under review was Rs. 1,07,321, of which Rs. 65,732 was expended, leaving a balance of Rs. 41,589 at the end of the year.

The income during 1897-98 rose by Rs. 3,361, while the expenditure fell by Rs. 24,197. The increase under "Receipts," which is chiefly under "76 per cent of the local cess," was due to an improvement in land and other items of revenue on which local cess is levied, and the decrease under expenditure to the smaller outlay on works executed by the Public Works Department and Revenue agency as well as on Civil Charges.

4. The budget grant sanctioned for original works and repairs under the head "A. Public Works to be executed by Public Works Department" was Rs. 41,528, and the actual outlay exceeded the grant by Rs. 392. This excess is attributed to the fact that the Gubbi bridge on the Gubbi-Hebbur road and the Mayasandra bridge on the Nellegeri-Sira road were washed away during the heavy rains in October 1897 and in consequence temporary deviations had to be made for the use of the traffic.

		Budget. Rs	Outlay. Rs.
I.	Original	9,300	8,748 10 2
II.	Repairs	32,228	34,169 5 7
	Total ...	41,528	41,917 15 9

5. The total grant sanctioned for original works and repairs under "A. Public Works" as well as for sanitary works and construction and repair of cattle-pounds to be undertaken by the Revenue agency was Rs. 6,200, of which only Rs. 3,083 or less than one-half was spent, while the balance lapsed at the end of the year, notwithstanding the employment of Work Inspectors under the authority conveyed in Proceedings No. 13938-46—L. F. 320-96, dated 30th June 1896, for the supervision of this class of works. This large percentage of lapse should have been accounted for. The attention of the President is drawn to the observations made in para 5 of Government Proceedings No. 16215-26—L. F. 63-97, dated 11th June 1898.

		Budget grant. Rs	Outlay. Rs a p.
I.	Original works ...	2,000	1,477 3 0
II.	Repairs ..	2,200	1,170 11 5
	Conservancy and sanitation.	1,500	347 4 0
	Construction and repair of cattle pounds.	500	88 5 8
	Total .	6,200	3,083 8 1

6. There were, as in the previous year, 13 dispensaries in the district towards the maintenance, of which Rs. 4,959-5-11 were contributed from the District Funds against Rs. 1,719-15-1, in 1896-97. The number of in-door and out-door patients treated in them was 177 and 64,879 against 165 and 64,635, respectively, of the previous year.

7. The aggregate expenditure incurred on account of "Midwives" and the total number of labor cases attended by them during 1897-98 were Rs. 2,329-1-2 and Rs. 428, respectively, as against Rs. 2,232-10-3 and Rs. 426 of the previous year. The average number of cases attended by each midwife was

only about 19 or 1·6 per month, which is far from satisfactory. The Government hope that this class of Medical Subordinates will be made to show better work in future. In para 17 of his report, the President observes that there was one more midwife in 1897-98 than in the previous year, while a reference to the Statement G appended to the reports of both the years shows that the number of midwives remained unaltered. This discrepancy requires explanation.

8. There were 14 3rd class travellers' bungalows and 24 musafirkhanas, or one more than in the previous year, the musafirkhana at Nagalmadike in the Pavagada taluk having been completed during the year under review. The aggregate expenditure incurred was Rs. 2,223-4-9 or Rs. 76-14-3 more than in the previous year.

9. During 1897-98, 11,519 persons or 1,272 more than in 1896-97 were vaccinated in the several taluks of the district, but the percentage of successful cases under primary vaccination fell from 90·96 to 89·02.

10. The number of births in the rural parts of the district fell from 10,581 to 9,734,* while the number of deaths from all causes rose from 6,819 to 9,467 or by 2,648. The increase of mortality was chiefly due to fevers (1,425) and small-pox (497).

* Correct total of details given in Statement L and not 9,864 as entered therein.

11. *Local Funds General.*—Out of the total grant of Rs. 42,000 sanctioned from Local Funds General on account of new works as well as incomplete works of pre-vious years, Rs. 12,794-0-3 were expended during the year on 111* wells, of which only 29 were completed. In addition to this an outlay of Rs. 240-10-6 was incurred on sanitary works undertaken during the year.

*According to the Statement M, total number of wells is 111, while in the report 114 is given

12. *Village School Fund.*—From this fund, to which 24 per cent of the one-anna cess on all items of revenue is credited, 191 schools with a strength of 5,848 boys and 738 girls were maintained at an aggregate cost of Rs. 19,166-2-2. The school-fee realized from 14 Taluk Branch Schools was Rs. 436-6-3.

	No.	Boys.	Girls.
1. Hobli Schools ...	156	4,829	478
2. Taluk Branch Schools ..	14	670	195
3. Aided Village Indigenous Schools	21	349	65
Total ...	191	5,848	738

13. The very small outlay of Rs. 347-4-0 out of an ample provision of Rs. 1,500 made in the budget for village sanitation and conservancy shows that sufficient attention has not been given to this item. Too much stress cannot be laid on the importance of the gradual development of village sanitation.

Letter No. 599, dated 29th May 1899, from the President of the District Fund Board, Kadur, submitting the explanation called for in Government Proceedings No. 10786-91—L. F. 52-98, dated 17th March 1899, in regard to the District Fund budget estimates for 1899-1900.

(2) Letter No 468, dated 1st April 1899, from the same forwarding a resolution of the District Fund Board and requesting sanction to the reduction of the mileage allotment of the Yedahalli-Shimoga road from Rs 150 to Rs. 50 and to increase the rate on the Bidur-Magundi road from Rs 40 to Rs 50 per mile. The savings thereby caused being utilized for the improvement of the old famine road from Kadur to Belagur.

(3) Letter No 3910, dated 13th June 1899, from the Chief Engineer, stating, with reference to this office No 11855—L F. 7-98, dated 21st April 1899, that he does not approve of the Kadur District Fund Board's proposal to reduce the mileage allotment of the Shimoga-Yedahalli road as such reduction would tend to the destruction of this important road and that funds for the improvement of the road from Kadur to Belagur *via* Yegati may be found by reducing proposed grants for new works, as suggested by the Executive Engineer.

No. 616-8—L. F. 52-98, DATED BANGALORE, 11TH JULY 1899.

76 per cent of Local Cess.

ORDER THEREON.—In the Government Proceedings quoted above explanation was called for as to the cause of increase in the estimate for 1899-1900, as compared with the actuals of 1897-98, under the head but the explanation furnished accounts for the increase compared with the estimate for 1898-99. If, as now reported in the above, the estimate for 1899-1900 was based on the actuals of 1897-98, the estimate should have been the same as, and not more than, the actuals A clear explanation should be submitted, pending which the estimate will stand.

Government Proceedings. Para 2. — President's letter. Para 2.

2. With reference to the reductions made under the marginally noted items for want of funds, the President requests grants from Local Funds General, as the amounts are absolutely required, but the Government observe that grants cannot be given from Local Funds General and that the Board should not undertake works for which they cannot find their own funds.

Government Proceedings. Para 5. — President's letter. Paras 3 (*a*) & (*b*).

		Rs
(1) Special repairs to Tarikere-Hosdruga road.		1,000
(2) Reserve grant	...	1,000
	Total	2,000

3. Under the circumstances stated the amount entered for 1898-99, under "Civil charges, VI Conservancy and Sanitary charges" will be reduced from Rs. 1,404 to Rs. 1,392.

Government Proceedings. Para 10. — President's letter. Para 4.

4. With reference to the remarks of Government that reduction should be made in the sanctioned allotments so as to raise the small closing balance, the President states that the Board have considered it impossible to make any reduction and have resolved on the contrary to increase the mileage allotment of the Yedahalli-Shimoga road from Rs. 50 to Rs. 100 the rate allowed in the Shimoga district, thereby raising the sanctioned allotment by Rs. 550. As the closing balance under District Funds is already very low, the President's proposal to curtail it still further cannot be sanctioned. As, however, it is reported by the Chief Engineer that the increased rate of Rs. 150 is absolutely required for the proper maintenance of the Yedahalli-Shimoga road, the increase referred to is sanctioned but the President must find a corresponding reduction in other items of expenditure. It is noted that Begur-Magundi road must wait and that the Shimoga-Yedahalli road, on which a large sum of money has been spent, should not be allowed to deteriorate.

Letter No. 1120, dated 17th June 1899, from the Deputy Commissioner, Mysore district, requesting, with reference to Government Proceedings No. 11702-3—L. F. 57-98, dated 17th April 1899, sanction (1) to the levy of tolls on the Yedatore bridge on unladen carts at half the rates sanctioned for laden carts, and (2) to treat manure carts passing over the bridge as unladen carts in accordance with the practice sanctioned for other toll-gates in Government Proceedings No. 12038—L. F. 111-94, dated 24th March 1898.

No. 944-6—L. F. 57-98, DATED BANGALORE, 18TH JULY 1899.

ORDER THEREON.—The proposals made in the above are sanctioned.

2. As the introduction of the changes now sanctioned for Yedatore would lead to the anomaly of two different rates being levied, one at Yedatore and the other at Hole-Narsipur, the Government direct that the reduced rates be also adopted for the Hole-Narsipur bridge toll-gate.

3. The President is requested to submit a notice embodying a revised schedule of rates to be levied at the toll on the Yedatore bridge for formal sanction of Government and publication in the *Gazette*.

4. A similar notice should be submitted by the Deputy Commissioner of the Hassan district in respect of tolls on the Hole-Narsipur bridge.

5. As both the toll bars are being managed departmentally, the revised rates should be levied from the expiration of one month after the publication in the *Gazette* of the notice referred to.

Proceedings of the Government of Mysore,

Letter No 967, dated 2nd April 1899, from the Deputy Commissioner, Hassan district, submitting the Administration Report of the several Municipalities in the Hassan district for 1897-98

No. 363-75—L. F. 38-98, DATED BANGALORE, 5TH JULY 1899.

ORDER THEREON—The number of Municipalities in the district during 1897-98 was the same as in the previous year, *viz.*,13, but the number of members rose from 96 to 117. The Municipal Boards of Sravanabelagola, Channarayapatna, Konanur and Arkalgud held 6, 9, 10 and 11 meetings, respectively, and the rest 12 meetings.

2. The aggregate revenue of the several Municipalities in the district during 1897-98 amounted to Rs. 42,370 or Rs. 2,717, more than that of the previous year and the aggregate expenditure to Rs. 46,856 or Rs. 6,983 in excess of that of the previous year. The increase under revenue was chiefly in the Municipality of Hassan under the heads "Octroi" and "House tax," the latter of which included collections of the arrears of previous years. The increase under expenditure was chiefly under the heads "IV. Conservancy," "VII. Lighting" and "VIII. Public Works," due respectively to the employment of additional sweepers and carts, to the purchase and lighting of new lamps and to the larger outlay on the construction of drains and payment of compensation.

3. The total demand, including arrears of previous years, amounted to Rs. 42,882, of which Rs. 40,480 was collected, leaving a balance of Rs. 2,402 outstanding at the close of the year.

4. The number of dispensaries remained the same as in the preceding year, but the total number of patients treated rose from 48,748 to 70,888. There were seven midwives against eight in the year previous and the number of cases attended by them was 302 against 308.

5. The Hassan town is the only Municipality which maintains a vaccinator of its own, the work in other towns being performed by the Taluk Vaccinators and Hospital Assistants in charge of Local Fund dispensaries. Statement VII shows that there was not a single case of vaccination in each of the Municipalities of Sravanabelagola, Konanur, Harnhalli, Saklespur and Grama and that there was only one case in Banavar. The attention of the Senior Surgeon and Sanitary Commissioner will be drawn to para 35 of the President's report, in view to the needful being done for securing due attention to the important work of Vaccination.

6. There was a small increase both in the number of births and of deaths the former having risen from 554 to 560 and the latter from 742 to 786.

7. The Government regret to notice that there was a delay of six months in the submission of this report, which was due in this office on 1st October 1898, but was not received till 5th April 1899. In future, steps should be taken to submit the annual reports on or before the due date.

READ —

The administration report on the working of the several Municipalities in the Shimoga district for the year 1897-98 received with President's letter No. 771—67, dated 18th April 1899

No. 569-74—L. F. 38-98, DATED BANGALORE, 10TH JULY 1899.

ORDER THEREON.—There were during 1897-98, fourteen municipalities in the district, as in the previous year, with a population ranging from 5,586 in Shimoga to 160 in Kallurkatte. The total number of members, ex-officio and nominated, was 141, the same as in the previous year. One hundred and sixty-six meetings were held during the year as against 169 in the previous year, the average attendance at each meeting being ten.

2. The aggregate income of the several municipalities was Rs. 42,161. Including the balance on 1st July 1897, the sum available for expenditure was Rs. 87,474, of which Rs. 44,994 was expended, leaving a balance of Rs. 42,480 at the end of the year 1897-98.

3. The receipts of the year exceeded those of the previous year by Rs. 2,985 and expenditure by Rs. 5,818. The increase under "Expenditure" is chiefly under "Conservancy, Lighting and Public Works."

4. The total demand, including the arrears of previous year, was Rs. 35,149, of which Rs. 27,758 was collected during the year and 3,634 up to the end of January 1899, leaving a balance of Rs. 3,757 still to be collected. It is hoped that from the steps now being taken, the whole of the recoverable outstandings will soon be collected and remission statements submitted in respect of irrecoverable items. There are large balances available for expenditure in the Municipalities of Nyamti and Siralkoppa and the attention of those Boards should be called to the advisability of spending more money for the improvement of those towns.

It is observed that out of a total grant of Rs. 29,199 sanctioned for Public Works only Rs. 14,149 were spent, allowing the balance of Rs. 15,050 or 51·5 per cent to lapse at the end of the year. The year's progress does not contribute to the material addition of permanent works of improvement and santation in nearly all the municipalities of this district, and it is desirable that measures should be taken to prevent large lapses of sanctioned grants in future.

5. The total number of births registered in all the towns decreased from 894 to 771 or by 123, while the total number of deaths increased from 702 to 1,137 or by 435. The increased mortality was chiefly from cholera and fevers which carried away 136 and 488 lives against 1 and 279, respectively, in the previous year. Every remedial measure was taken by the Municipal and Medical authorities to stamp out cholera which prevailed in all the municipalities except Kumsi, Benkipur, Sorab, Sagar and Nagar. The santary condition of all the municipalities in the district was fairly satisfactory.

6. The number of Local Fund dispensaries maintained from Municipal Funds was 9 and the number of in-door and out-door patients treated in them was 61,870 against 54,862 of the previous year.

7. The number of midwives in the district was 9 and that of labor cases attended by them was 418 against 584 in the previous year.

8. The unsatisfactory work of the vaccinators was noticed in the review of the previous year. It is to be regretted that during the year 1897-98 the number of persons vaccinated was even smaller than in the previous year, being 760 against 796. The attention of the Senior Surgeon and the Deputy Commissioner is invited to the falling off in the number of cases attended by midwives and in the number of cases operated upon by vaccinators.

9. There was considerable delay in the submission of this report, which was due in this office on 1st October 1898 but was not received till 18th April 1899 or six and a half months after the due date. Such delays should be avoided in future.

2. *I. Octroi.*—The increase under this head is due to new estimates of income from additional articles to be brought under taxation having been entered in the budgets of Jagalur, Hosdurga and Holalkere and to the larger revenue expected from betel-leaves, ghee and cloths in Chitaldrug. As the budgets of Harihar and Molakalmuru do not include the revenue expected from the marginally noted articles to be taxed in those towns as per sanctions conveyed in Government Proceedings Nos. 9640-41—L. F. 40-98 and 11705-6—L. F. 40-98, dated 20th February and 17th April 1899, respectively, the estimate under the head will be raised by Rs. 1,550. Details showing the amount expected from each of the octroi articles in Molakalmuru should be furnished early.

4. Tobacco	

3. *II. House Tax.*—The increase under this head in the budget of Bagur is based on the actuals of 1897-98 and the estimate is passed.

4. *X. Miscellaneous.*—The decrease under "(*a*) Sale of houses and lands" in the budget of Davangere is probably due to there being a smaller number of building sites available for sale in the town. The decrease under (*m*) Contribution in the budget of Chitaldrug should be explained. Pending information, the estimate will stand.

5. *Opening Balance.*—In lieu of the proposed estimates under this head the closing balance of 1898-99 will be adopted as the opening balance of 1899-1900.

6. *I. Interest on Debt.*—*XI. Miscellaneous* (*a*) *Repayment of Loans.*—Provisions made under these heads will be retained pending receipt of the information called for in this office No. 12531—L. F. 262-96, dated 4th May 1899, from the Comptroller in regard to the provisions to be made in Municipal budgets on account of repayment of loans.

7. *II. Head Office.*—Pending the issue of final orders on the Comptroller's suggestion to levy a fixed contribution from Municipal and District Funds towards the cost of Local Fund establishments as recently revised, the estimates under this head will stand.

8. *III. Collection* (*a*) *Octroi.*—The provisions under this head will be raised by Rs. 144 to meet the cost of two peons sanctioned for the collection of octroi duties in Harihar in Proceedings No. 9640-1—L. F. 40-98, dated 20th February 1899.

9. *III. Collection* (*b*) *House and Mohatarfa Taxes, &c.*—The provisions made under this head will be retained, subject to such modification as may be made with reference to Government Proceedings No. 12704-13—L. F. 295-96, dated 8th May 1899, regarding the employment of a separate agency for the collection of municipal taxes.

10. *IV. Conservancy* (*a*) *Establishment.*—The variations proposed under this head having already been sanctioned by Government, the estimate is allowed.

11. *VIII. Public Works.*—The provisions under this head are passed, subject to the submission of estimates for works costing Rs. 500 and upwards.

12. *IX. Charitable Grants.*—The Municipal budgets of Harihar, Holalkere, Hosadurga and Jagalur provide Rs. 7, 5, 4 and 10, respectively, on account of

		District Fund budget. Rs.	Municipal budget. Rs.

furniture for Local Fund dispensaries, while there are no corresponding provisions in the sanctioned District Fund budget for 1899-1900. The marginally noted variations also occur under other items. These differences require explanation, pending which the provision will stand.

13. The other items call for no remarks and are passed.

14. The budget estimates of the several municipalities in the Chitaldrug district for 1899-1900 are sanctioned as per details given in the accompanying appendices, of which an abstract is given below:—

No. 722-30—L. F. 3-97, DATED BANGALORE, 13TH JULY 1899.

ORDER THEREON.—It is observed that Proceedings No. 6982-90- L. F. 3-97, dated 6th December 1898, sanctioned the revision and amalgamation of the Municipal and District Fund Branches of the District Offices and directed that the cost of establishments as revised, should be apportioned in the Comptroller's Office with reference to the expenditure incurred from the District and Municipal Funds.

2. On an enquiry made by the Comptroller as regards the number of clerks to be employed on Municipal work with a view to the pensionary contribution payable by the several municipalities in the Mysore district being fixed, the President requested the sanction of Government to debit one-third cost of establishments of his office to Municipal Funds and the remaining two-thirds to District Funds, irrespective of the number of clerks employed exclusively either on Municipal or District Fund work and to fix the pensionary contributions accordingly.

3. The Comptroller, who was asked to favour Government with his opinion on the question raised, suggested for adoption during the next five years, a scale of proportion for the various Local Fund Circles subject to revision at the end of that period. Before passing final orders on this proposal, the Presidents of the several Boards were consulted and the replies received from them are recorded above.

4. From the replies thus received it will be seen that the Comptroller's proposal has been concurred in by the Presidents of all the Local Fund Boards, except that of Mysore, the President of which, for special reasons, proposes $\frac{1}{3}$rd and $\frac{2}{3}$rds as proper contributions from Municipal and District Funds, respectively. Under these circumstances, the Government are pleased to accept the Comptroller's recommendation in the case of all the Boards except Mysore in respect of which the Deputy Commissioner's proposal will be approved. The cost of establishments of the Local Fund Branches in the President's Office will accordingly be debited to the Municipal and District Funds in the marginally noted proportions, the quota payable from Municipal funds being distributed among the various municipalities in each circle except the cities of Bangalore and Mysore. The pensionary contribution will also be levied in the same proportions.

5. The Comptroller is now requested to submit early a revised statement showing the annual contribution payable by each Municipal and Local Fund Board during the next five years towards the cost of Local Fund establishments in District Offices in view to correct provisions being made in the budgets for 1899-1900 and subsequent years.

The Administration Report on the Working of the Municipalities in the French Rocks Sub-Division for 1897-98, received with letter No. 905, dated 15th April 1899, from the President of the Municipalities in the Mysore district.

No. 926-31—L. F. 38-98, DATED BANGALORE, 17TH JULY 1899.

ORDER THEREON.—Including the newly constituted municipality of Palhalli sanctioned in Proceedings No. 6210 —L F. 341-96, dated 29th November 1897, there were at the end of the year 1897-98, nine municipalities against eight in the previous year. The number of ex-officio and nominated members serving on the several Boards was 56, being the same as in the year 1896-97.

2. The receipts under all heads amounted to Rs. 28,057, or Rs. 10,028 more than those of 1896-97, and expenditure to Rs. 25,738, or Rs. 2,897 in excess of the year preceding. The increase under "Receipts" is the result chiefly of a large increase under "House" and "Mohatarfa" taxes due to collection of the arrears of previous years in the municipalities of Seringapatam, Malvalli, Nagamangala, Melkote and French Rocks and of a decrease under "Miscellaneous" due to the absence of revenue from grant-in-aid and loans as well as from Suspense heads. The increase under "Expenditure" is chiefly under "IV Conservancy," "VIII Public Works" and "III Collections," respectively due to additional conservancy staff maintained, to larger expenditure incurred on drains and in the execution of water-supply works in the town of Malvalli and to the payment to shanbhogs and patels of potgi remuneration payable for the past three years, as also to the maintenance of Mohatarfa establishment throughout the year in Seringapatam.

3. The number of births decreased from 392 in 1896-97 to 349 in 1897-98, and the number of deaths from 832 to 472. It is noted that owing to the improved sanitary condition of these towns, no epidemics broke out during the year as was the case in the preceding year, though there was a slight increase in the mortality from fevers.

4. As in the previous year, Municipal Funds supported three dispensaries. The number of patients treated in them rose from 19,492 to 24,370. It is noted that in Form C, budget figures have been entered against Seringapatam in the columns showing the cost incurred from Municipal Funds, owing to the non-receipt of information said to have been repeatedly called for from the Sub-Assistant Surgeon. The attention of the Senior Surgeon is drawn to this fact in view to the needful instructions being issued for future guidance.

5. The number of midwives in the sub-division was five, the same as in the previous years, and the number of labour cases attended to by them was 222 against 199 of the previous year.

6. Seringapatam was the only municipality which maintained a separate Vaccinator, the work of vaccination in other municipalities being done by the Taluk Vaccinators or Hospital Assistants in charge of Local Fund dispensaries. The number of persons vaccinated during 1897-98 was 655 against 651 in the previous year. The attention of the Senior Surgeon is invited to para 3 of Government Proceedings No. 17027-41—L. F. 62-97, dated 27th June 1898, with reference to the poor results under this head.

7. The expenditure incurred from Municipal Funds on eight Anglo-Vernacular Schools and three Grant-in-aid Schools was Rs. 1,712, according to Statement E, while the same is given as Rs. 1,594 in Statement VI This discrepancy requires explanation. The results of the Mysore Lower Secondary Examination were better than in the previous year, 32 pupils having been successful as against 15 in the previous year.

8. There was a delay of more than 6½ months in the submission of this report. In future every endeavour should be made to submit the annual report so as to reach this office not later than 30th September of the year following that to which the report relates

Report on the Administration of the Municipalities in the Kadur district for 1897-98, received with President's No 109, dated 18th April 1899

No 1024-29—L F. 38-98, DATED BANGALORE, 19TH JULY 1899.

ORDER THEREON.—The total number of municipalities in the district during 1897-98 was nine, the same as in the previous year. Including the three additional members recently appointed for the Birur Municipal Board, there were at the end of the year 94 members serving on the several Boards. The number of meetings held during the year was 110 with an average attendance of 7·7 against 10·3 and 7·5, respectively, of the previous year.

2. The aggregate revenue of the several municipalities during the year was Rs. 48,262. Including the opening balance of Rs. 38,698 the sum available for expenditure was Rs 86,960, of which Rs. 53,850 was spent leaving a balance of Rs. 33,110 at the end of the year.

3. Excluding the recoverable advances and amounts held under "Suspense," there was an increase under "Income," and a decrease under "Expenditure." The increase under "Receipts" was chiefly the result of a gross increase of Rs. 2,263 under "House-tax" due to better collection of the tax in Chikmagalur town. But there was at the same time a decrease of income of Rs. 1,345 from "Octroi" on account of the fall in the importation of piece-goods from Bombay and elsewhere owing to the plague. The decrease under "Expenditure" was the result of a gross decrease of Rs. 12,180, under "Public Works" and "Charitable grants" due to the smaller expenditure on new roads and buildings and on certain other items.

4. The total demand for the year, including the arrears of previous years, was Rs. 51,602, of which Rs. 47,235 were collected leaving a balance of Rs. 4,367. Of the latter, a sum of Rs. 1,400 is reported to have been since collected in Chikmagalur.

It is hoped that with the steps that are now being taken the whole of the recoverable arrears will be soon collected and a remission statement submitted for irrecoverable items. It is observed that the outstanding balance at the beginning of the year is given as Rs. 57, whereas the same was given as Rs. 49 in the printed report for 1896-97. This discrepancy requires explanation.

5. The total number of births recorded in the several municipalities rose from 394 to 772 and the total number of deaths from 395 to 1,024. The increased mortality was chiefly from cholera and fevers.

6. The sanitary condition of the several municipalities is reported to have been good during the year. The water-works of the Chikmagalur town were transferred to the municipality and the work of taking the surveys and levels of the town and of preparing a map in the manner indicated by the Sanitary Engineer in connection with the drainage scheme of the town, for which a temporary surveyor was appointed, was completed at a cost of Rs. 1,367-7-1.

7. The establishment of a dispensary at Sakrepatna raised the total number of dispensaries in the district to nine, the number of patients treated therein during 1897-98 being 84,017 against 58,191 in the previous year. It is noted that in the printed report for 1896-97 the number of persons treated during that year was given as 47,889 or 10,302 less than that entered in the present report. This discrepancy requires explanation.

8. There were seven midwives in the district and the number of labor cases attended to by them was 281 against 337 of the previous year. The attention of the Senior Surgeon and the President is invited to the small number thus attended.

9. The contribution made from Municipal Funds towards the cost of Anglo-Vernacular and Primary Schools during 1897-98 amounted to Rs. 439.

10. In reviewing the report for 1896-97, the need for greater attention to, and stricter check over, the work of vaccinators was pointed out in para 6 of Government Proceedings No. 16238-48—L. F. 62-97, dated 11th June 1898, and the employment of a separate vaccinator for the town of Chikmagalur from the month of April 1898 was sanctioned by Government, but the vaccination work during the year under report was even more unsatisfactory than in the two previous years, the number of persons vaccinated being only 647 against 772 and 1,096 in 1896-97 and 1895-96, respectively. The attention of the Senior Surgeon and the President is drawn to this gradual decline in the number of persons vaccinated so that such corrective measures may be adopted as may be called for.

11. The Government regret to notice that there was great delay in the submission of this report, which was due in this office on 1st October 1898, but was not received till 28th April 1899 or for nearly seven months from the due date. The President is requested to see that in future the annual reports are submitted so as to reach this office on or before the due date.

2. *I. Octroi.*—The estimate under this head does not include the revenue expected from kerosine and other oils to be taxed in the Nyamti Municipality as per sanction accorded in Government Proceedings No. 13017-18—L. F. 35-98, dated 16th May 1899. A sum of * Rs. 275 will be entered on this account and the total estimate raised to Rs. 1,075.

	Rs.
*1. Kerosine oil	25
2. Other oils	250
Total	275

3. *VII. Mohatarfa.*—The decrease under this head is due to diminished revenue expected from shop and cart taxes in Shimoga, Nyamti, Shikarpur and Siralkoppa. As the estimates are supported by the jamabandi and probable receipts, they are passed.

4. *X. Miscellaneous (m) Contributions.*—As under Government Proceedings No. 389-401—2211-23, dated 2nd May 1899, the Provincial roads within municipalities will be re-transferred to the Public Works Department for maintenance with effect from the 1st July 1899, the estimates entered under this head on account of contributions expected from Public Works Department for the maintenance of these roads will be struck out, corresponding reductions being made in the provision for road repairs under VIII Public Works.

5. *Opening Balance.*—The closing balances as per revised municipal budgets for 1898-99 will be adopted as the estimates under this head.

EXPENDITURE.

6. *II. Head Office.*—The provision made under this head will be retained, pending the issue of final orders on the Comptroller's proposal to levy a fixed contribution from Municipal and District Funds towards the cost of Local Fund establishments as recently revised.

7. *III. Collections (b) House and Mohatarfa Taxes.*—No provision has been made in the present budget of the Shimoga Municipality on account of the salaries of the temporary establishment, consisting of one mutsaddi and two peons sanctioned for the collection of arrears of mohatarfa in the town. This accounts for the decrease in the estimate under this head, which is approved.

8. *IV. Conservancy*—The provision under this head includes the temporary increase of Re. 1 to each of the sweepers of the Sorab Municipality sanctioned in Proceedings No. 6828-29—L. F. 118-97, dated 1st December 1898 till the end of the official year 1898-99. As the President promises to submit a separate reference for its permanent sanction, the provision will be retained, but should not be utilized till the issue of final orders on the promised reference.

9. *VII. Lighting.*—The provision made under this head is allowed.

10. *VIII. Public Works (b) to (o) Works.*—Owing to the insufficiency of funds, the provision of Rs. 100 made under "(o) Reserve" in the budget of Sorab will be struck out and provisions made for the repair of Provincial roads within the marginally noted municipalities, will be disallowed with reference to the remarks contained in para 4 *Supra.* Estimates proposed in other budgets are approved, subject to the submission of detailed estimates for works costing Rs. 500 and upwards.

	Rs.
(1) Shimoga	592
(2) Nagar	172
(3) Tirthahalli	188
(4) Kumsi	175

11. *VIII. Public Works (a) Supervision.*—The provision made under this head in the budget of Shimoga, which does not correctly represent 10 per cent of the cost of works to be executed during 1899-1900 will be raised to Rs. 485 and provisions entered in other budgets will be reduced with reference to the reductions in the foregoing para.

12. *IX. Charitable Grants.*—The lump sum provisions made in the original municipal budgets on account of one-third cost of menial establishments in the several Local Fund Dispensaries in the district do not correctly represent moieties

of charges sanctioned in the District Fund Budget of the Shimoga Circle for 1899 1900 but are now *stated to be in accordance with the scale given in the Senior Surgeon's docket No. 2473, dated 3rd March 1899 providing for increases to certain compounders. The explanation is accepted and provision passed.

* No. 968—764, dated 20th June 1899.

13. The other items call for no remarks and are passed.

14. The budget estimates of the several municipalities in the district for 1899-1900 are sanctioned as per details given in the accompanying appendices, of which an abstract is given below : —

No.	Municipalities.	Opening balance.	Estimated receipts.	Total receipts.	Estimated expenditure.	Closing balance.

	Total ...	21,542	42,894	64,436	54,779	9,657

15. From the above it appears that the closing balances are less than the prescribed minima in Shimoga, Sorab, Tirthahalli and Benkipur. Every endeavour should be made to maintain the usual balance, unless the actual balance on 1st July 1899 should happen to be in excess of the estimates entered in the present budgets.

16. It is observed that the totals of details of charges for 1898-99 as given in budget Statement III do not correspond in several cases with the lump sum figures in the consolidated budget Statement No. I. Such discrepancies should be carefully avoided in future.

Report on the Administration of Municipalities in the Kolar district for the year 1897-98 received with President's letter No. 162, dated 18th March 1899.

No. 1324-9—L. F. 38-98, DATED BANGALORE, 25TH JULY 1899.

ORDER THEREON.—The number of municipalities in the district was the same as in the previous year, namely 11.

2. The number of members on all the Boards together was 108, including five additional members appointed during the year for strengthening the Boards at Bowringpet, Chintamani and Mulbagal.

3. Eleven meetings were held by the Boards at Bowringpet, Chintamani and Srinivaspur and 12 by those in other towns.

4. The following statement exhibits the financial condition of the several municipalities in the district during 1897-98 as compared with that of the previous year :—

Receipts.				Expenditure.

Total ...	36,924	47,762 60,737	+12,977	Total ...	50,228	48,983 66,225	+17,302

5. The increase in receipts was due chiefly to the credit in the accounts of the Kolar and Chintamani Municipalities of Rs. 23,241-6-0, being a loan from Government on account of water-supply works in those towns.

6. The total demand, including arrears at the commencement of the year, amounted to Rs. 39,597-5-3, of which Rs. 34,588-7-1 were collected or remitted during the year, leaving a balance of Rs. 5,008-14-2 at the end of the year. It is hoped that with vigorous steps now being taken, the outstanding balance will be soon collected.

7. Under "Expenditure" also there was a large increase, due chiefly to the expenditure incurred by the Sanitary Department on the water-works of Kolar and Chintamani having been debited in the accounts of those towns. The employment of additional sweepers and carts in certain municipalities contributed to the increase under the head "IV Conservancy."

8. Besides the usual works of the construction and repair of roads, drains and drinking water wells undertaken by the several municipalities in the district, the execution of two important works, *viz.*, water-supply projects for the towns of Kolar and Chintamani, costing Rs. 24,728 and Rs 45,214, respectively, was taken up by the Sanitary Department.

9. The total number of births in the several municipalities fell during 1897-98 from 985 to 970, while the number of deaths rose from 597 to 738, the increase (141) being chiefly due to fevers (113) and cholera (23).

10. The expenditure incurred under "Charitable grants" during 1897-98 was Rs. 4,280-10-7 or Rs. 2,033-4-9 more than in the year preceding; the increase being mainly due to the contribution made towards the cost of repairing the dispensary buildings at Chintamani, Mulbagal, Sidlaghatta, Gudibanda, Goribidnur and Malur and of constructing dispensary buildings with out-houses at Sidlaghatta; the number of patients treated in the dispensaries fell from 78,507 to 78,127.

11. The number of midwives in the district was the same as in the previous year, and the number of labor cases attended to by them was 685 against 697.

12. Vaccine operations were performed by the Taluk Vaccinators and Hospital Assistants in charge of L. F. Dispensaries, except in the town of Kolar, where a separate vaccinator was maintained at the cost of Municipal Funds. The total number of persons vaccinated in 1897-98 was 1,534 against 1,510 in the previous year.

13. The Comptroller having reported in his letter No. 1367, dated 6th April 1899, and the President having agreed that in the report under review a sum of Rs. 5-14-0 was shown in excess of the actual receipts from pounds in the Gudibanda Municipality as per audited accounts of the Comptroller, the necessary corrections have been made in the report and correct figures adopted in the review.

(2) *I. Octroi.*—The estimate under this head includes the revenue expected from betel-leaves and tobacco to be brought under taxation in Ajjampur in accordance with Government Proceedings No. 8446-47—L. F. 8-98, dated 21st January 1899, and is approved.

(3) *II. House Tax.*—The increase under this head, which is chiefly in the budgets of Tarikere, Ajjampur and Mudgere, is based on the actuals of 1897-98. The estimate is passed.

(4) *VII. Rents.*—The decrease under this head is stated to be due to the prevalence of plague. The estimate is allowed.

(5) *X. Miscellaneous.*—The omission of estimates usually entered under this head as contributions from the Public Works Department for the maintenance of portions of Provincial roads within municipalities, is due to their re-transfer for maintenance to the Public Works Department, under Government Proceedings No. 389-401—2211-23, dated 2nd May 1899, with effect from 1st July 1899. The large decrease under pounds in the town of Chikmagalur is explained to be due to the establishment of a pound at Yedahalli. The estimate is passed.

(6) *Opening Balance.*—The President does not appear to have taken into account the supplemental estimates sanctioned for 1898-99 in arriving at the opening balance in favor of each municipality. After deducting these grants, a sum of Rs. 30,264 will be entered as the correct opening balance.

(7) *I. Interest on Debt and XI. Miscellaneous (a) Repayment of Loans.*—The provisons made under these heads, which are in accordance with those proposed by the Comptroller are passed.

(8) *II. Head Office.*—Subject to modifications to be made subsequent to the issue of final orders on the Comptroller's proposal to levy fixed contributions from Municipal and District Funds towards the cost of Local Fund establishments as recently revised, the provisions made will be allowed.

(9) *III. Collection.*—The reduced provision for Octroi establishment of Chikmagalur, amounting to Rs. 1,072, and the increased provision for the salary of the Overseer of Tarikere at Rs. 12 per mensem, made in the present budgets, are in accordance with Government Proceedings No. 13229—L F. 119-97, dated 19th May 1899, and No. 16294-95—L. F. 285-96, dated 13th June 1898, respectively, and are approved, subject to modification on receipt of the President's proposals for the employment of a separate agency for collecting Municipal taxes in other than the district head-quarter towns.

(10) *IV. Conservancy.*—The variations proposed under this head are given below. Some of the items have already been sanctioned, and the others are now passed:—

Municipality.	Designation.	1898-99.	1899-1900.	Difference. Per mensem.	Difference. Per annum
		Rs.	Rs.		
1. Chikmagalur.	Latrine sweepers	18 on 10 1 on 7 3 on 6	8 on 10 7 on 7	—130 per mensem	or—1,560

5. Yedahalli.	Do	6 on $6\frac{1}{2}$	6 on $7\frac{1}{2}$	+6	+72

(11) *VII. Lighting.*—The number of existing lamps in the municipalities of Yedahalli, Ajjampur and Sringeri are given, but the cost of lighting each has not been furnished. The omission is explained to be due to the fact that lighting is given out by contract, and that contract rates differing annually, lump-sum provisions have been made. The explanation furnished is not satisfactory. Approximate rates based on the existing contracts should have been proposed and provisions made accordingly. This should be done now. Pending information, the provisions will stand.

(12) *VIII. Public Works, (b) to (e) Works.*—Budget statements No. II do not show details of roads, drains, &c., proposed to be constructed or repaired. The President explains that it is not possible to enter the names of works, as they will have to be taken in the order of urgency and transfers from one minor head to another under the same major head will have to be made as exigencies occur. The explanation furnished is not satisfactory. A forecast of works to be executed should be made and the same entered in future budgets, necessary transfers being afterwards made according to exigencies. The lump-sum provisions made in the present budgets, which do not include the cost of maintenance of lengths of Provincial roads re-transferred to the Public Works Department, will, however, be retained.

(13) *Public Works (a) Supervision.*—The provisions made in the budgets of Ajjampur and Mudgere do not correctly represent 10% of the charges for works, and they will be slightly raised by Rs. 5.

(14) *IX. Charitable Grants.*—The estimate under this head includes the Municipal quota of contributions towards the cost of construction or repair of dispensary buildings in the district, while corresponding provisions do not exist in the sanctioned District Fund budget of Kadur for the District Fund quota of the charge. The necessity for provisions in the Municipal budgets alone requires explanation. Under the circumstances stated in the President's letter No. 3, dated the 1st July 1899, a provision of Rs. 84 will be made for the pay of the waterman and sweeper of the Basavanahalli branch dispensary, reduced in Government Proceedings No. 13229-3—L. F. 119-97, dated 19th May 1899, corresponding reduction being made in the provision under "XI. Miscellaneous (*b*) Other items."

The absence of any provision under (*d*) Vaccination in the present budget of Chikmagalur is explained to be due to the Municipal Board having resolved to dispense with the services of the Municipal vaccinator recently employed.

(15) *XI. Miscellaneous.*—The provision under this head, which includes increase of Re. 1 to the park supervisor of Chikmagalur, sanctioned in Government Proceedings No. 13229-30- L F. 119-97 of the 19th May 1899, is passed.

(16) The other items call for no remarks and are passed.

(17) The budget estimates of the several municipalities in the Kadur district for 1899-1900 are sanctioned as per details given in the accompanying appendices, of which an abstract is given below :—

Letter No. 1187, dated 31st May 1899, from the Deputy Commissioner, Bangalore district, regarding the remission of Rs. 17-1-0, being the amount of irrecoverable arrears relating to Case No. 3 of the Bangalore taluk, disallowed in Government Proceedings No. 8229—R. 3654, dated 11th May 1899.

No. 525-32—R. 202, DATED BANGALORE, 18TH JULY 1899.

ORDER THEREON.—One Ranganna, shanbhog of Uttarahalli village, Bangalore taluk, applied for and obtained, in the year Manmatha (1895-96), Survey No. 19, (dry) measuring 20 acres 17 guntas and assessed at Rs. 17, of the Agara village, in the same taluk. He did not cultivate the land, but sub-let it to one Chikka Thimma and others of Agara, for grazing purposes and these latter paid the kandayam thereof for the year 1895-96. The khatedar, Ranganna, failed to pay the kandayam of the land amounting to Rs. 18-1-0, due for the year Durmukhi (1896-97). For the recovery of the arrears thus due, the Amildar (B. Krishna Rao) directed the sale of the land, which was accordingly held by the shekdar on the 21st May 1897. For want of bidders, the land was bought in by the Government for Re. 1. The khatedar, Ranganna, refused to pay the balance of arrears alleging that he had himself no interest in the land and that he held it for the benefit of Chikka Thimma and others. Chikka Thimma and others also refused to pay the dues on the ground that the khatedar had not sub-let the land to them during the year Durmukhi (1896-97). As it was reported that the defaulter had other lands in his holding at Uttarahalli, the Amildar directed the attachment and sale of a portion of the marginally noted land for the recovery of the arrears in question. Accordingly the shekdar conducted the sale of this land on the 28th September 1897, with the result that it fetched Rs. 6. As the bid was considered very low, the Amildar directed that

S. No.	Extent A. g.	Assessment. Rs. a. p.

the land be re-sold on the 23rd November 1897. In the meantime, the defaulter, Ranganna, submitted a petition to the Amildar on the 22nd September 1897, praying for remission of the arrears on the ground that since the year Manmatha (1895-96) in which he obtained the land (Survey No. 19 of Agara) it was lying uncultivated and that as it was sold and bought in by Government, his other lands were not liable to be sold for the arrears. The Amildar gave an endorsement to the petitioner to the effect that as the land lay waste owing to the petitioner's own fault, no remission could be granted. The petitioner appealed to the Deputy Commissioner against this order and prayed for remission of the arrears and for the cancellation of the sale of his land at Uttarahalli, conducted as per orders of the Amildar, on the 28th September 1897. The then Deputy Commissioner, Mr. B. K. Venkatavaradhengar, passed an order on the 18th October 1897, that as the arrears could not be recovered by the sale of the land on which it was due, the balance should be remitted under para 8 of Rule XXXVI of the Land Revenue Rules. The Amildar represented that the land in question lay uncultivated owing to the defaulter's own neglect and that as he was not a poor raiyat the remission of the arrear was not desirable. But the General Assistant Commissioner, Mr. K. Sreenivasa Rao, directed that the Deputy Commissioner's order above referred to, should be carried out. The Amildar again represented that under para 8 of Rule XXXVI of the Land Revenue Rules, when the arrear could not be recovered by the sale of the land on which it was due, the other property of the defaulter might be proceeded against if there were good reasons for so doing and that as the land lay waste mainly owing to neglect on the part of the khatedar the arrears might be ordered to be recovered by sale of his other property. The Deputy Commissioner, stated that his previous order was in accordance with rules and returned the records to the Amildar. The present Deputy Commissioner, states that his predecessor's order of the 18th October 1897, above referred to, was a decisive one and that therefore this case was included in the remission statement as per para 8, Section XXXVI of the Land Revenue Rules.

2 From the fact stated above Government are not satisfied that the order of Mr. B. K. Venkatavaradhengar was rightly passed or that he used his discretion properly.

3. The defaulter is a shanbhog, who was not likely to have applied for and obtained the land for the benefit of other people. If the land remained uncultivated, it was his own fault. He could have got the kandayam by merely subletting the land for hulbanni as in the year previous. He does not plead poverty but seems to claim as a matter of right the enforcement of the first portion of para 8, Rule XXXVI of the Land Revenue Rules. The Amildar had more than once represented that there was good reason for proceeding against the other property of the defaulter. This is a case in which there is no hardship and to which therefore the Rule relied upon does not, in the opinion of the Government, apply. It must be borne in mind that all applications for remission should be carefully scrutinized, and that the discretion, vested in District Officers by the Rule referred to above should be judiciously exercised so as to cause no unnecessary loss to Government. The avoidance of hardship to the defaulter on the one hand, and that of loss to Government on the other, are both factors which must determine the question whether a defaulter's property other than the land on which arrears are due should be proceeded against or not. In the present case the absence of the first and the presence of the second have been made out to the satisfaction of Government. The remission proposed is therefore disallowed.

Letter No. 855, dated 24th June 1899, from the Superintendent of the Mysore Revenue Survey, submitting the Annual Progress Report of the Mysore Revenue Survey for the Survey year ending 31st October 1898.

No. 562-70—R. F. 42-97, DATED BANGALORE, 19TH JULY 1899.

ORDER THEREON.—*Measurement.*—During the year under report 3,328 fields comprising 40,453 acres were measured against 9,114 fields comprising 76,166 acres in the year previous. The work of the year consisted of the measurement in detail of inam villages, sub-division of waste lands and of Amrut Mahal kavals for cultivation purposes, and the survey of lands taken up for State forests.

2. *Measuring Test.*—The number of fields tested was 301 against 217 in the previous year.

3. The work done by the 8 Surveyors and 79 Measurers employed in the Revenue Department in the several districts consisted chiefly of the sub-division of lands under the Land Revenue Rules and the inspection of boundary marks, the rest of the work, which was nearly 60 per cent of the whole, being of a miscellaneous nature. It is desirable that with the help of these officials, the boundary marks should be brought up to a satisfactory condition.

4. *Classification.*—The total area, both arable and unarable, classified during the year was 97,357 acres forming the extent of 16,279 fields against 93,243 acres and 12,839 fields in the previous year. The work of revising the water classification sanctioned in Government Proceedings No. 4115-17—R. 1414, dated 5th November 1896, was completed in the taluks of Chitaldrug and Holalkere, Hosdurga sub-taluk and part of the Hiriyur taluk.

5. *Classification Test.*—The number of fields tested was 1,836 with reference to soil and 1,475 with reference to water against 1,519 and 818 fields, respectively, in the year previous, the difference between the original classification and test being one pie both in soil and water against three pies in soil and one pie in water.

6. The settlement of the T. Narsipur taluk and the classification of the Sringeri Jahgir which were in progress in the year previous were completed during the year under review.

7. The number of inam villages measured and classed during the year previous was 30 and 21 consisting of 23,480 and 20 521 acres respectively, while it was 23 and 27 consisting of 16,504 and 22,299 acres in the year under review.

8. The result of the allocation of minor inams carried out in 337 villages of the Bangalore district was that land bearing survey assessment of Rs. 14,784-4-0 was confirmed and land bearing survey assessment of Rs. 2,785-4-0 was resumed, while in the previous year land assessed at Rs. 34,430 was confirmed and that assessed at Rs. 10,152 was resumed in 878 villages.

9. The cost of the survey and settlement operations from the commencement in 1863 up to the close of the year under report was Rs. 67,62,104-7-5 against Rs. 66,14,080-6-5 up to the close of the year previous.

Proceedings of the Government of Mysore.

READ—

Report submitted by Colonel I. Campbell Walker, Conservator, on the Forest Administration in the Mysore State for the year 1897-98.

No. 453-87—FT. F. 15-98, DATED BANGALORE, 17TH JULY 1899.

ORDER THEREON.—*Touring of Forest Officers.*—The Conservator of Forests was out for four months and inspected the forests in Kolar, Mysore, Hassan, Kadur and Bangalore districts.

Among the subordinate officers, Messrs. Venkatnarnappa and K. Shamaiengar camped out the longest for 224 and 210 days, respectively, while Messrs. Abdul Karim and Sitaramaiya were only out for fifty-five and fifteen days.

2. *Area of Forests.*—The forest areas dealt with are composed of 1,545 square miles of State Forests and Plantations finally settled, and 238 square miles of reserved lands under enquiry and final settlement. These areas, which, in the aggregate, represent 6·54 per cent of the area of Government land and 10·81 per cent of the area of unoccupied Government land in the State, are scattered all over the State as indicated on the map accompanying the report.

3. The State Forests were extended by the addition of 176 square miles.

4. The decrease of 127 square miles of reserved lands was nominal, the areas being treated as State Forests.

5. The undermentioned jungles were constituted as State Forests :—

District.	Name of Forest.	Extent.
		Square miles.
Tumkur ...	Manchaldore	15½
Kolar	Kamasandra	27
Mysore ...	Narayandrug	17
Hassan	Kabbinale	23½
	Kemphole	12
	Ramadevarhalla	12
Chitaldrug	Jogimatti	34
	Nirthadi	27½
	Total ...	168½
	Minor additions including Plantations ...	7½
	Grand Total ...	176

6. The Jogimatti and Nirthadi State Forests, which were hitherto shown as Reserved Forests, comprising an area of 13 square miles, were extended by 48½ square miles.

The progress of settlement during the past three years was as follows :—

Years	Square miles
1895-96	1,251
1896-97	1,370
1897-98	1,545

7. Other extensive tracts aggregating 47½ square miles in the Chitaldrug district are reported to have been brought under special protection and partly under settlement. It is not clear why this area was omitted to be included in the list of reserved lands.

8. Much attention is being given to the proper protection and development of forests in the Chitaldrug district, where the necessity for them is much felt.

9. The formation of fuel and fodder reserves in the Closepet sub-division, Bangalore district, and the constitution as State Forests of the Sargod, Basavankote and Tyagadabagi jungles in the Kadur district, will, it is hoped, be completed without further delay.

10. *Demarcation.*—Only 108 miles of new lands were cut and 257 miles of old lands re-cleared But the total outlay under this head, including cost of establishment and adjustment of old charges, was Rs 12,540. This gives a high average rate of Rs 34 per mile, while the average rate in the Madras Presidency is about Rs. 10 for permanent demarcation and Rs 4-12-0 for re-clearing In the Mysore district 136 miles were re-cleared at a cost of Rs 1,376 or Rs. 10 per mile. The charges incurred appear to be abnormal, and better scrutiny is called for. The demarcation charges have not been separately stated in some cases.

11. *Surveys*—About 116 square miles were surveyed at a cost of Rs. 3,662, which is Rs 31·5 per square mile. In the Kadur district the expenditure was exceptionally high owing to enumeration and valuation survey of the Tegurgudda State Forest measuring 9 square miles.

12. *Forest Maps*—Forest maps were made for each district and for the whole Province; but these have yet to be tested and corrected, before the final issue of correct and complete maps This is a work which it is desirable to bring to completion very soon.

13. *Prosecutions for Breaches of Forest Rules.*—Out of 268 cases involving 546 persons, convictions were secured in 196 cases against 371 persons, 58 cases against 157 persons resulting in acquittal or discharge There were 14 cases pending disposal at the close of the year. Of the cases brought to trial, no less than 181 cases with 322 accused were those instituted for unauthorized felling or appropriation of wood. The percentage of convictions to the total number of cases instituted was 73 14 against 79 87 in the year previous.

14. *Injury to Sandal Trees.*—The total number of cases for enquiry by the Revenue Department was 85, of which only 35 were disposed of, leaving a heavy balance of 50 cases. The amount of fines recovered was Rs. 1,241 against Rs. 1,793. It is gratifying to learn that in the Shimoga district, the smuggling on the frontier was greatly checked by the co-operation of the Bombay Government.

15. *Protection from Fire.*—The area actually protected was 1,323 against 1,476 square miles, at a cost of Rs 16,108. The percentage of success was 83 against 94, and the average cost per acre attempted was three pies or a pie more than in 1896-97.

The state of affairs brought to notice in the Mysore district, is not satisfactory and it is hoped that the Conservator of Forests will take such action as will diminish fires in the forests of that district, and protect them effectively. More energetic action on the part of the local officers seems called for

16. *Artificial Reproduction.*—The number of plants put out on new ground was 37,623, and 48,393 vacancies were filled up, and the total expenditure under plantations amounted to Rs. 20,058 against Rs. 32,222.

17. *Experiments.*—In the Bangalore district 302 suckers of hemp plant (*Agave rigida var. sisalana*) planted out in the Pinya plantation are thriving. In the Tumkur district *Eucalyptus rostrata* seedlings were transplanted in the Devarayadurga State Forest and in the Dasarhalli, Lingenahalli, Uddihosakere and Ammanaghatta plantations, and the percentage of success was satisfactory. In the Shimoga district 100 rhea fibre plants supplied by the Superintendent, Government Gardens, Bangalore, were planted on a selected ground. The divi divi pods also supplied by the same officer were sown in the Shimoga Revenue plantation with good results. In the Kadur district 100 rhea plants sent by that officer were planted in nursery beds at Lakvalli depôt and Chikmagalur sandal koti, where, in the latter, the plants are reported to be thriving.

18. *Gross Yield and Outturn of Forest Revenue—Timber.*—The total quantity cut in forests was 190,844 against 239,298 c. ft., the quantity including the stock of the previous year carted to depots being 203,926 against 224,480 c. ft. The cost incurred and adjusted was Rs. 56,894 or Rs. 11,167 less than in the previous year. The sales in the Government depôts fetched Rs. 1,66,251 against Rs. 1,81,145, the quantity of timber disposed of being 228,401 against 240,444 c. ft.

19. *Sandal-wood.*—There was on hand 354 tons of rough sandal at the commencement of the year. This was augmented by the collection of 1,777 tons during the year; 1,702 tons were worked up, which yielded 978 tons of good wood, 255 tons of inferior wood and 264 tons of white chips. The wastage and driage amounted to 204 tons or 12·03 against 10·21 per cent. Every 100 tons of wood assorted gave on an average 22 08 against 24·9 per cent of class billets. The average cost per ton of assorted wood was 22·8 against 21·7.

20. The quantity sold was 1,572 against 1,304 tons, and the amount realized Rs. 6,07,152 against Rs. 4,63,030. The average value per ton was Rs. 386 or Rs. 31 more than in the previous year.

21. The quantity of private sandal sold along with the Government wood consisted of—

	Rs.
46½ tons of Civil and Military Station, Bangalore, which fetched. .	17,830
19¼ tons of Kirnelli and Kamanur inam village .	6,180
3¼ tons of Kalasa temple . ..	972

22. *Minor Forest Produce.*—There was a large increase of Rs. 48,025 under the contract system, owing mainly to favorable results of leases for tangadi and kakke barks in the eastern districts.

23. *Free Grants of Forest Produce.*—Timber and bamboos to the value of Rs. 2,494-12-0 were given free in the cases of houses destroyed by fire and for village chavadis.

It is estimated that about three lakhs worth of forest produce has been taken away free by raiyats during the year under report.

24. *Financial Results.*—The gross revenue amounted to Rs. 11,61,997, of which Rs. 10,97,241 was collected, leaving a balance of Rs. 64,756 at the end of the year.

25. The gross expenditure was Rs. 4,30,893 against Rs. 4,34,057, showing a net decrease of Rs. 3,164.

26. The year's surplus amounted to Rs. 6,66,348 against Rs. 4,90,160 in the previous year and Rs. 8,22,586 in 1895-96

27. Compared with the actual receipts, the total expenditure bears a percentage of 39·27 against 46·96.

28. *Kheddas.*—There were no organized captures. The number of captured elephants on hand was 45, of which 10 were sold for Rs. 6,300, 17 died from various causes, and 16 still remained. The kumkis numbered 19, leaving out the two that died during the year.

29. The receipts amounted to Rs 19,242, and the total expenditure to Rs. 39,988, thus showing a deficit of Rs. 20,746.

30. *General Remarks.*—Mr. B. Ramaswami Iyer, District Forest Officer, Kolar, was deputed to visit Salem, Coimbatore and Malabar, with special reference to the timber supply of the Kolar Gold Fields and at the same time to make himself acquainted with the systems adopted in the District and Range Forest offices in the Madras Presidency. It is reported that he made good use of his time, and some of his suggestions appear practicable and commendable.

During the year three Probationary Foresters, who had undergone some practical training in actual forest work were deputed to the Imperial Forest School, Dehra Dun. The Director's report on the two Rangers and three Foresters now at the school is on the whole favorable.

31. In conclusion, the Government have much pleasure in recording their appreciation of the valuable services rendered to the State in the Forest Department by Colonel I. Campbell Walker during his tenure of office as Head of the Forest Department in Mysore, extending over three years. He introduced improved methods of working in the Forest Department and maintained the Department in a high state of efficiency.

Petitions Nos. 2381 and 2711 received in the Dewan's office on 3rd May 1898, from Chennegauda and his brother Basavegauda of Mallappanahalli in the Hole-Narsipur taluk, appealing against the order of the Deputy Commissioner, Hassan district, declining to execute the decree in O. S. No. 5 of 1894-95 on the file of his Court by putting the appellants in possession of the patcli offices of Mallappanahalli and Amanikere, of which they were declared to be the hakdars

(2) Records received and the correspondence ending with Hassan Deputy Commissioner's letter No. 568, dated 8th February 1899, proposing the appointment of Basavegauda, younger brother of Chennegauda to the office of patel of one of the two charges of Mallappanahalli and Amanikere.

No. 300-307—PET. F. 1-99, DATED BANGALORE, 12TH JULY 1899.

ORDER THEREON.—The decree, which appellants obtained in suit No. 5 of 1894-95, is not merely a declaratory decree. Substantial relief was granted by not only directing the registry of their names as hakdars, but also by providing for their performance of duties under a proper arrangement to be made on their application in the course of the execution of the decree. The two villages, Mallappanahalli and Amanikere, to which the appellants' hak was established, form two separate charges with separate porgi allowances, and as the 2nd appellant, Basavegauda, is reported to be quite competent and qualified for the patelship, the Government are pleased to approve of the Deputy Commissioner's proposal to put him in charge of one of the said two villages. Due effect will accordingly be givin to the decree by carrying out the proposed arrangement without further loss of time.

(3) The records of the case.

No. 631-8—PET. F. 6-99, DATED, BANGALORE, 20TH JULY 1899.

ORDER—The proceedings show that the claim of the appellant to the sites in question was rejected by the Amildar on 29th October 1895 and that the appeal to the Deputy Commissioner was lodged on 19th May 1896 when one of the sites had been sold to the respondent by a public auction. The question of limitation was not raised in the first instance, but the Deputy Commissioner admitted Akkamma's appeal and caused a good deal of enquiry to be made before rejecting the appeal on the technical ground referred to above. Under all the circumstances, the delay may, in the opinion of Government, be overlooked and the ends of justice met by a decision being passed on the merits, especially as the original enquiry by the Amildar was admittedly defective and the Deputy Commissioner deemed it essential for the right determination of the case to cause additional evidence to be taken. Government are accordingly pleased to remand the case to the Deputy Commissioner with directions to hear the appellant and respondent and other parties concerned and to pass a fresh decision on the merits.

Petition of Appeal No 2309—A. S. 16 of 1898-99, presented by Mudda, mestri of Muthugadahalli village in the Turuvekere sub-taluk, against the order of the Deputy Commissioner, Tumkur district, declining to issue an order directing the recovery of the assessment of a portion of Survey No. 18 in the said village from the appellant, as the registry stood in the name of the 1st respondent Byra.

(2) Letter No. 468, dated 26th January 1899, from the Deputy Commissioner, Tumkur district, reporting on the above.

With reference to your Official Memorandum No. 245—Pet., dated 13th September 1898, calling for a report on the petition of Mudda, mestri of Muthugadahalli in the Turuvekere sub-taluk, appealing against my order, dated 27th January 1898, I have the honor to state as follows :—

2. On 20th September 1896, petitioner Mudda, mestri, applied for the transfer in his name of the patta of a portion of Survey No. 18, 2 acres and 13 guntas in extent and assessed at Rs. 2-8-0, standing in the name of one Byra, on the strength of an unregistered sale deed, dated 25th September 1881, and possession and enjoyment since that date. The 1st General Assistant Commissioner to whom the petitioner's application was referred for disposal referred the petitioner to the Civil Court *vide* his order, dated 25th May 1897. Against this order petitioner did not appeal to me, but during the jamabandi of the Turuvekere sub-taluk in January 1898, he presented a petition to me (*Note*—The petition is wrongly addressed to the Deputy Amildar) praying that orders might be issued to the village authorities to receive the kandayam of the land in question from him. In reply, he was informed that so long as the patta stood in the name of Byra, he (pattadar) would be allowed to pay the kandayam. It is against this order that petitioner now appeals to Government.

3. The vernacular papers connected with the petition are herewith submitted.

(3) Records of the case.

No. 639-46—PET. F. 5-99, DATED BANGALORE, 20TH JULY 1899.

ORDER THEREON.—**The unregistered sale set up by appellant is denied by 1st respondent, and although the sale is said to have taken place in 1881, the application for the transfer of patta was not made till 1896, nor has it been accompanied by the consent or written relinquishment of the alleged vendor. The 1st respondent not only denies the genuineness of the sale-deed, but also alleges a temporary lease of the land on wara to appellant. The dispute between the parties is of a civil nature and cannot be adjudicated upon summarily by the Revenue authorities. As both the parties have not presented a joint application for transfer of the patta as required by law (Section 71, Mysore Land Revenue Code) the application of the appellant *alone* has been properly rejected, and so long as the 1st respondent continues to be the registered kathedar, he is entitled to make payment of the kandayam. The Deputy Commissioner's order is affirmed and this appeal dismissed.**

Petition of Appeal No. 1678 of 1898-99, presented by Agasthappa, shanbhog of Arulakunte and two other villages in the Srinivaspur taluk, against the order of the Deputy Commissioner, Kolar district, affirming the order of the General Assistant Commissioner, fining the petitioner Rs. 75 for having failed to remit in time the revenue collected by him from the raiyats and for other irregularities.

2. The records of the case received with the Kolar Deputy Commissioner's docket No. 4840—1042, dated 30th May 1899.

Agasthappa and Kempegauda are the shanbhog and patel, respectively, of Aralakunte village in the Srinivaspur taluk. As a sum of Rs 82-7-7 was outstanding against the village as arrears of revenue (for the year 1896-97) at the beginning of December 1897, the defaulting raiyats were sent for and examined by the Amildar. The receipt books produced by them showed that a portion of the arrears due had been paid long before to the patel in most cases and to the shanbhog in some cases, and a comparison of the receipt books with the khirdi showed that a sum of Rs. 29-5-0 collected by the patel and another sum of Rs. 9-7-9 collected by the shanbhog before June 1897, had not been credited in the Khirdi or remitted to the Treasury and that dates of payment as recorded in the receipt books differed in some cases from those recorded in the khirdi. The petitioner and the patel whose explanations were taken threw the blame on each other, but the petitioner was unable to justify his collection of revenue independently of the patel. The entire arrears with the exception of a small sum were collected and remitted to the Treasury before 15th January 1898 on which date the Amildar reported to the General Assistant Commissioner the several irregularities committed by the petitioner and the patel. The Assistant Commissioner fined them Rs. 75 each for their misconduct and this order was, on appeal by the petitioner, confirmed by the Deputy Commissioner. Hence this second appeal to Government.

No. 71C-23—PET. 51, DATED BANGALORE, 21ST JULY 1899.

ORDER THEREON—The case against the petitioner has been clearly established. He collected money without entering the transactions in the Khirdi accounts and detained it for months without remitting it to the Government Treasury. The punishment is very inadequate taking into account the gravity of the petitioner's misconduct. He disobeyed the rules prescribed for the safety of Government money, disregarded the procedure laid down for collecting money and recording payments in the khirdi and other accounts, and last, but not least, he kept the money with himself for several months. *Prima facie*, it seems that both the shanbhog and the patel merited a more severe punishment and there has been no satisfactory explanation of the omission to prosecute them criminally. The punishment by a small fine is as inappropriate as it is inadequate.

2. The Deputy Commissioner is therefore requested to re-consider his order and decide why both these officials should not be dismissed from service.

3. It is observed that the Kolar district had once become notorious for such irregularities and as remarked by the Assistant Commissioner any fresh tendency to revert to the old condition of affairs, must be nipped in the bud and suppressed with a firm hand.

4. The appeal is rejected and the records of the case are sent back to the Deputy Commissioner for disposal in accordance with the above observations.

(2) Petition No. 411 of 1898-99, presented by Sanjivaiya of Ramohalli in the Bangalore taluk, making a similar complaint.

(3) Letter No. 548, dated 24th November 1898, from the Deputy Commissioner, Bangalore district—

With reference to your Official Memo No 217, dated 12th September 1898, forwarding for report an appeal petition presented by T. Ranga Rao against the order of the Deputy Commissioner, declining to grant to him, on shraya tenure, certain lands of the bechirakh Chikkellur Rampura village of the Magadi taluk, I have the honor to state as follows :—

2. On the 1st July 1897 the appellant presented to the Magadi taluk a darkhast for the marginally noted lands of the bechirakh Chikkellur Rampura village to be granted to him on shraya tenure. The Amildar and the Divisional Officer recommended the grant of the lands as asked for. When my predecessor went to Kumbalgode on 12th August 1898, the raiyats of that place stated that they wanted the bechirakh village above referred to for pasture for their cattle. The lands applied for by the petitioner were then put up to auction and were knocked down to the petitioner for Rs. 250. But the petitioner's request that the gomal land of the village* should also be given to him for pasture purposes being refused by the Deputy Commissioner, the petitioner declined to take up the lands. Finally the sale was cancelled and the lands were assigned to the raiyats of Kumbalgode on payment of an upset price of Rs. 60.

3. The present appeal is against this order, on the ground that under para 5 of Rule XX of the Land Revenue Rules the petitioner had a prior right to the lands He also states that he is prepared to build houses, re-populate and improve the bechirakh village if the lands, he first applied for, are granted to him together with the gomal land of the village. No definite reasons are given in the records for not granting the lands to the petitioner as per para 5 of Land Revenue Rule XX, nor is it stated that the raiyats of Kumbalgode are hard up for pasture for their cattle.

4. Under these circumstances the petitioner's request seems to me to be reasonable as well as advantageous to Government, and I have therefore no objection to the grant of the land to the petitioner on shraya tenure.

5. From the petition of Sanjivaiya received with your Official Memo No. 218, dated 12th September 1898, it appears that Sanjivaiya is also willing to take the lands of the bechirakh village on shraya tenure.

6. The records of the case together with Sanjivaiya's petition No. 411 are herewith submitted.

(4) Records of the case.

No. 708-15—PET. F. 85-98, DATED BANGALORE, 21ST JULY 1899.

ORDER THEREON.—It will be pointed out to the Deputy Commissioner that para 5 of Rule XX of the Mysore Land Revenue Rules quoted by him, is inapplicable to this case. The procedure which ought to have been followed in

the disposal of Ranga Rao's application is that prescribed by para 18 of Rule XX of the Land Revenue Rules as amended by Government Orders Nos 3736—Cir. 52, dated 31st May 1892 and 4346-53—R. F. 97-92, dated 15th September 1892. Such inattention to rules and procedure laid down by Government cause much inconvenience to parties and unnecessary correspondence between Government and Deputy Commissioner. This should be avoided in future. As the order granting the lands to the respondents for an upset price cannot be upheld, the same is hereby reversed and the Deputy Commissioner is directed to dispose of the applications of appellants T. Ranga Rao and Sanjivaiya under para 18 of Rule XX aforementioned.

Petition of Appeal No 2207—A. S. 23 of 1898-99, dated 23rd February 1898, presented by Deddegauda, patel of Sarahalli village in the Krishnarajpete taluk, against the order of the Deputy Commissioner, Mysore district, appointing Dyavegauda as joint-patel of Sarahalli village along with the petitioner.

2. Correspondence ending with letter No. 292, dated 12th September 1898, from the Deputy Commissioner, Mysore district, reporting on the above.

3. The records of the case.

Prior to 1888, the appellant and Tapegauda, father of the respondent, were joint-patels of the village of Sarahalli. In 1888 Tapegauda resigned his office, owing to infirmity and old age, in favor of his son Dyavegauda (respondent) who was thereupon registered as joint-patel of the village. Appellant was directed to officiate as sole patel by order of the then Sub-Division Officer, dated 13th March 1888. This arrangement continued till 1894 when the respondent Dyavegauda claimed that he should be allowed to officiate as joint-patel. The Sub-Division Officer rejected the claim on the ground that Tapegauda, when resigning the office in favor of his son, had, in writing, consented to the appellant's officiating as the sole patel. On appeal the Deputy Commissioner was of opinion that the statement of Tapegauda, which was misconstrued by the Sub-Division Officer, could not be held binding on his son, who was well qualified to do the pateli duties and directed, in reversal of the Sub-Division Officer's order, that the respondent should officiate as Revenue patel and the appellant as Police patel. Hence this second appeal to Government. The Deputy Commissioner in reply to a reference made to him states in his letter No 292, dated 12th September 1898, that the revenue of the village is Rs. 358-4-0 and the potgi Rs. 15-12-0

No. 724-31—PET. F. 7-99, DATED BANGALORE, 21ST JULY 1899.

ORDER THEREON.—As the village is small and the potgi insufficient to maintain two patels, the Deputy Commissioner's order cannot be supported. It is accordingly set aside and the Government direct that appellant be allowed to continue in office as sole patel during his life-time.

(2) Letter No. 465, dated 18th October 1898, from the Deputy Commissioner, Bangalore district, reporting on the above —

In reply to your Official Memo No. Pet. 260 of the 14th ultimo, calling for a report on the petition of Byrappa of Kanchigaval, Dodballapur taluk, regarding the transfer of the patta standing in the name of one Ramappa, I have the honor to state as follows :—

2. The petitioner, Byrappa, applied to the Amildar of Dodballapur for a transfer of the patta to his name on the authority of a judgment and decree of the Chief Court in Appeal No. 196 of 1895-96. As the order of the Chief Court merely contained a remark that the 4th defendant, *i. e.*, the petitioner, was the sole male representative of the family to which the land belonged and did not direct the transfer of the patta in his name, the Amildar declined to make the transfer Upon this, the petitioner appealed to this office and sought to have the patta transferred in accordance with para 2 of Rule XXIV of the Land Revenue Rules As this rule directs the transfer of the patta only on the production of a decree *declaring such transfer*, or when a certificate of delivery of possession is produced, or possession ceded without execution proceedings, and as the petitioner's application did not satisfy any of the above conditions, the then Deputy Commissioner passed an endorsement on the 8th August 1898, No. 25, declining to make the transfer.

3. Against this order the petitioner has preferred this appeal to Government.

4. The enclosures of your docket under reply and the correspondence ending with the Dodballapur Amildar's report No. 252 of the 3rd instant is herewith submitted for reference.

(3). Records of the case.

No. 848-55—PET. F. 12-99, DATED BANGALORE, 27TH JULY 1899.

ORDER THEREON—In Appeal No. 196 of 1895-96, the Chief Court dismissed the suit brought by the respondent, Ramappa, for possession of the land in question, chiefly on the ground that the appellant Byrappa (4th defendant in the suit), was the rightful owner of the land, in actual possession thereof, and that Ramappa had no manner of right to it, or, in other words, that the occupancy right is vested in Byrappa. This is clearly an adjudication within the meaning of Section 67 of the Mysore Land Revenue Code, and is sufficient to warrant the transfer of patta in Byrappa's name. Both the Amildar and Deputy Commissioner erred in holding that in addition to the express finding of the Chief Court establishing Byrappa's right of occupancy and title to the land, a direction for the transfer of patta was necessary. A final declaration of right by a competent Court of Justice coupled with possession of the land is sufficient to entitle a person to have the registry in his name, under the provisions of Section 67 of the Mysore Land Revenue Code and para 2 of Rule XXIV of the Revenue Rules. The appeal will, therefore, be allowed, and the patta of the land in question transferred to the name of the appellant Byrappa.

Petition of appeal No 744—A S 20 of 1898-99, presented by Narnappa of Devaganahalli village, Sidlaghatta taluk, against the order of the Deputy Commissioner, Kolar district, rejecting his claim to the shanbhogi office of Devaganahalli firka

(2) The records received with letter No 2312—619, dated 9th December 1898, from the Deputy Commissioner, Kolar district

The facts of the case are briefly as follows —

According to the Register of 1864, the respondent's father Gundappa was the sthala and the appellant's father Subbanna was the Sirkar shanbhog of Devaganahalli firka In 1871, the respondent was registered as the sthala shanbhog in his father's place, and the appellant's elder brother Venkatasubbaiya succeeded his father as Sirkar shanbhog.

2 In 1896, the appellant represented to the Deputy Commissioner that his brother Venkatasubbaiya, who had been looking after the shanbhogi duties of the firka, was dead leaving two sons behind him and prayed that the office might be registered either in his name or in the name of one of his brother's sons The General Assistant Commissioner decided that the respondent could not be disturbed and that all possible concession had been shown to appellant by the enfranchisement under the Chief Commissioner's Proceedings of 1878, of the Sirkar shanbhog's inam lands Narnappa appealed against this order to the Deputy Commissioner and contended that his brother was the sthala and not the Sirkar shanbhog and that the entry in Register of 1864 was inaccurate The Deputy Commissioner refused to go behind the Register of 1864 and referred the appellant to a regular suit for establishing his right if any Hence this appeal to Government

No. 940-47—PET F. 11-99, DATED BANGALORE, 27TH JULY 1899.

ORDER THEREON.—It is abundantly proved that since 1864 the respondent and his ancestors have been the sthala shanbhogs of Devaganahalli firka. The order rejecting the application is, therefore, correct, and is hereby affirmed and this appeal dismissed.

2. The Deputy Commissioner's suggestion that the appellant may, if he thinks proper to do so, bring a regular suit for the establishment of his right, was, under the circumstances of this case, quite unnecessary.

2. Lakka was the khatedar of the lands noted in the margin. After his demise (probably early in 1897) three persons came forward as being the claimants for the same (1) Deviri, deceased's young widow, (2) Chikka, his sister; and (3) Linga, his divided cousin (deceased's paternal uncle's son).

3. In his statement, dated 3rd November 1897, before the Amildar, Linga deposed on oath that he had been in possession and enjoyment of a greater portion of the deceased's khate lands, paying a land revenue of Rs. 13 and odd, and requested that the khate might be made jointly in his and her (Deviri's) name, lest she might marry again and dispose of the property otherwise. Deviri admitted Linga's possession and enjoyment of a portion of the lands, stated that she would not marry again, but that she would take a son of Linga's in adoption, and prayed for the joint khate being made as desired by Linga.

4. The Amildar, during Taluk Jamabandi of 1897-98, observed in the column of remarks in the namthubdil list that according to the custom in vogue, amongst the vakkaligars, Devaramma might re-marry and lose all claims to her deceased husband's property and added that it was, therefore, advisable, that Deviri should take a son of Linga's in adoption and that the khate should be made in the joint names of Linga and Deviri.

5. The receipts produced by the parties proved that Linga and Deviri's husband had been in possession and enjoyment of portions of the numbers noted above. Therefore, Mr. Knight, the Jamabandi Officer, concurred in the Amildar's opinion and ordered that the khate should be made in the joint names of Deviri and Linga.

No. 984-91—Pet. F. 15-99, dated Bangalore, 29th July 1899.

Order thereon.—It is clearly laid down in Section 68 of the Mysore Land Revenue Code that "on the death of a registered occupant, the Deputy Commissioner shall cause the name of his eldest son or other person appearing to be his heir or the principal of his heirs, to be registered in his stead * * *." This section does not contemplate the issue of joint pattas. Linga, the deceased khatedar of the land in dispute, died issueless leaving him surviving his widow, the appellant. The respondent, as a divided cousin of the deceased cannot, under the Hindu Law, be preferred to the widow, who is therefore entitled to have the khate of the land which was in exclusive and separate possession and enjoyment of her husband transferred to her own name. The apprehended future alienation of the land by the widow, or of her intention to re-marry, cannot be taken into consideration in giving effect to the express provisions of Section 68 of the Mysore Land Revenue Code. The order directing the issue of a joint patta in the names of appellant and respondent cannot, therefore be supported, and the Deputy Commissioner is hereby directed to transfer the patta in the appellant's name and strike out the respondent's name.

Petition No. 1767—A. S. 7 of 1898-99, received from Obali of Settihalli village in the Maddagiri taluk, appealing against the order of the Deputy Commissioner, Tumkur district, rejecting his prayer for an order directing respondents not to disturb him in the performance of his duties as talvar.

(2) Letters Nos. 1011, dated 12th May 1898 and 467, dated 26th January 1899, from the Deputy Commissioner, Tumkur district.

With reference to your docket No. 1886—Pet. 184, dated 9th September 1898, enquiring who was in actual possession and enjoyment of the talari office of Settihalli and other villages in the Maddagiri taluk, when petitioner Obali brought a regular Revenue suit in respect of it in 1895, I have the honor to submit the depositions of the patels of the villages in question from which it will be seen that in 1895, petitioner Obali was performing the duties of talari of the villages of Settihalli, Marabanahalli, Viranaganahalli, Pujarihalli and Jodi Virannahalli, while the defendant Yerroba was holding a similar office in Puttenahalli. The statement of the patel of the former set of villages to the effect that petitioner Obali was doing the duties of talari in Puttenahalli also is not entitled to credit, as he is not the patel of that village and is not therefore in a position to speak with authority on the point.

2. The records received with the docket under reply are herewith re-transmitted for reference.

With reference to your official Memo No. Pet.—950, dated 1st February 1898, forwarding for report a petition from talvar Obali of Settihalli in the Maddagiri taluk *in re* the talavarike office of that village, I have the honor to submit herewith the entire record of the case and to state that the petitioner brought a regular suit in 1895 in the General Assistant Commissioner's Court, claiming the registry in his name of the office of talari of Settihalli and other villages. The suit was dismissed for want of cause of action as the plaintiff admitted that he was then performing the talari duties and receiving mirasi. There was no appeal from this decision.

2. Six months after the said decision was passed, petitioner Obali presented a petition to the Amildar of the taluk complaining that defendants Yerroba and others were obstructing him in the discharge of his duties as talvar, whereupon, by an order, dated the 5th July 1897, acting Amildar Vasudeva Rao directed that the defendants Yerroba and others should not interfere with the petitioner and referred them to a regular suit.

3. The defendants' contention in the suit before the General Assistant Commissioner being that petitioner was not a hakdar to the office, the abovementioned order of the acting Amildar had the effect of operating as a decree in petitioner's favor. On the appeal of defendant Yerroba, therefore, I held that it was beyond the province of the acting Amildar to pass an order in favor of petitioner in the face of the Assistant Commissioner's decree dismissing his suit for the talari office in dispute and accordingly cancelled the said order.

4. Petitioner Obali applied to me on the 4th January 1898, representing that Yerroba and others were disturbing him in the enjoyment of the office in question and praying that an order should be passed enjoining them not to do so. This was virtually a petition for the declaration of his right to the office which could only be obtained by a decision in a regular suit. As Obali's petition was not written in the form of a plaint and was not properly stamped, it was returned to him.

5. Petitioner Obali's prayer for an injunction to the defendants Yerroba and others not to disturb him in the performance of his duties is vague and meaningless. If he wants a declaration of his right to the office as against these persons, he should obtain it by a regular suit.

6. The petition under reference is herewith returned with its enclosures.

(3) Records of the case.

No. 969-76—Pet. F. 13-99, dated Bangalore, 29th July 1899.

Order thereon.—The order of the Deputy Commissioner, rejecting appellant's petition, dated 4th January 1898, on the ground that it was in the nature of a suit and as such was neither properly framed nor stamped, cannot, in the opinion of Government, be supported. If petition was insufficiently stamped or required amendment, the petitioner should have been required to make the necessary amendments or to put in additional stamps within a given time. The summary rejection of the petition on the grounds set forth by the Deputy Commissioner was illegal. Moreover, a perusal of the petition shows that there was no claim for possession of the talavarike or of any emoluments of the office. All that petitioner complained of was that as he was actually in possession and enjoyment of the office, and as respondents, in collusion with the shanbhog and shekdar, were giving him trouble and hindering or obstructing him in the regular performance of his duties, they should be enjoined not to interfere with the discharge of his official duties. This complaint cannot be regarded as a plaint or suit. It is an ordinary miscellaneous application by a public servant to his official superior for protection and support in the discharge of his duties, and the Deputy Commissioner was bound to enquire into it and to pass such order as to him might have seemed just and proper. As a servant of the State, a talvar, who is recognised as such and is actually officiating, has a right to expect to receive from the Deputy Commissioner every support in carrying on the duties of the office in his possession.

2. According to the evidence taken by the Deputy Commissioner or under his orders, it is quite evident that appellant is in actual possession and enjoyment of the talavarike of five *out of six villages in dispute. His possession and enjoyment with regard to the said five villages cannot be disturbed by respondents.

*1 Settihalli.
2 Marabanahalli.
3 Viranaganhalli.
4 Pujarihalli.
5 Jodi Viranhalli.

3. With regard to the village of Puttenahalli, the enquiry was defective. If the Deputy Commissioner was not satisfied with the evidence of the patel of other villages that the appellant was the officiator and was in possession and enjoyment of the talavarike of this village also, additional evidence ought to have been taken to remove any doubt on the point. The Deputy Commissioner is now requested to cause the necessary enquiry to be made and to pass an order recognizing the person now actually in possession of the office in question and permitting him to continue in it until ousted by an order of a competent authority.

Petition of appeal No. 267—A. S. 2 of 1898-99, presented by Venkatakrishna Naik and two others of Hebbur village in the Tumkur taluk, against the decree of the Deputy Commissioner, Tumkur district, dismissing the plaintiffs' suit for the recovery of the pateli office of Yediyur village in the Kunigal taluk.

(2) The records received with letter No. 233, dated 16th September 1898, from the Deputy Commissioner, Tumkur district.

The facts of the case are as follows :—

The plaintiffs' father, Venkatasanjiva Naik, was the hakdar patel of Yediyur village. Before 1876, the defendant's father Lingegauda and, after him, one Rudria were employed by Venkatasanjiva Naik as pateli gumastas. In 1876, the defendant was appointed by the Amildar as gumasta, as Venkatasanjiva Naik absented himself from the village. As the plaintiffs' father failed, in spite of repeated notices from the Amildar, to reside in the village and perform the duties himself, the Deputy Commissioner passed an order in March 1887 for the removal of Venkatasanjiva Naik's name from the pateli register and for the office being conferred on any other qualified hakdar. But as the Amildar reported that there was no hakdar residing in the village and owning lands therein, the Deputy Commissioner accepted the Amildar's recommendation for the appointment of the defendant as patel.

2. In May 1897, this suit was brought by plaintiffs for the recovery of the pateli office from the defendant. Both the Assistant Commissioner and Deputy Commissioner concurred in dismissing the claim on the ground that the plaintiffs' father forfeited his hak by continued absence from his duties. The Deputy Commissioner observed that the inclusion of plaintiffs' names in the register as hakdars was unnecessary, but that it may be simply noted in the register that their claims to the office will be taken into consideration on the occurrence of a vacancy. The plaintiffs have now appealed to Government.

No. 977-84—PET. F. 14-99, DATED BANGALORE, 29TH JULY 1899.

ORDER THEREON.—The proceedings show that plaintiffs' father neglected to perform the duties of the pateli in question since 1877. He was given every opportunity to resume the office, but failed to do so. Both plaintiffs and their father deserted the village, and by their own wilful negligence and laches, lost the hak. In 1887 the respondent was appointed, and he has ever since continued to perform the duties satisfactorily, and he cannot therefore be disturbed. The plaintiffs, aged 35, 28 and 23 years, respectively, remained quiet for several years and filed this suit only after the death of their father, and as they have, by their own conduct and indifference, allowed the office to pass out of their family, they are entitled to no consideration. Their suit has been properly dismissed, and this appeal is accordingly rejected.

The facts of the case are as follows :—

The plaintiffs' claim the pateli office as descendants of Dodbiregauda and Chikbiregauda who were appointed as patels of the village by an order of the Amildar of Sira in Vibhava (1808-9). The 5th defendant is the present patel of the village having succeeded to the office in 1882, while the 1st, 2nd and 3rd defendants are hissedars to the office being descendants of Giddegauda and Tippegauda, who were, by a decree of the Commissioner of Mysore, declared as hissedars of the office in January 1855.

2. In April 1897, the plaintiffs sued the defendants for a declaration of their hak and for possession of the office and alleged that the ancestors of the 1st, 2nd and 3rd defendants obtained the office by fraud in 1855 and that they became aware of it only recently. Defendants 1 to 4 did not contest the suit, but the 5th defendant pleaded that the suit was brought in collusion with the other defendants, that the suit was barred and that his father was a hissedar to the office. The Assistant Commissioner, who tried the suit dismissed it on the grounds that the plaintiffs had not satisfactorily proved either their descent from the sannaddars of 1808-9 or the performance of duties by them, and that the suit was barred owing to the adverse possession of 5th defendant and his predecessors in office for nearly 50 years. On appeal the Deputy Commissioner confirmed the above decree. Hence this second appeal to Government.

No. 1045-52—Pet. F. 17-99, dated Bangalore, 29th July 1899.

Order thereon.—The claim is clearly barred. The plaintiffs have failed to prove their hak. The concurrent decisions of the lower courts are affirmed and this second appeal is dismissed.

(1) Petition of Appeal No. 2910—A. S. 84 of 1897-98, presented by Nanja of Hulikal village, Tiptur taluk, against the order of the Deputy Commissioner, Tumkur district, transferring the registry of the lands in Hulikal in the khate of Karegauda, deceased, in the name of his widow Nanji.

(2) Petition of Appeal No. 878—A. S. 25 of 1898-99, presented by Nanji, widow of Karegauda of Hulikal village, Tiptur taluk, against the order of the Deputy Commissioner, directing the registry of the said Karegauda's lands in Bramhadevarahalli, Turuvekere sub-taluk, in the joint names of the petitioner and Nanja.

(3) Letter No. 623, dated 15th April 1899, from the Deputy Commissioner, Tumkur district—

In reply to your Official Memoranda Nos. 228—Pet. and 431—Pet., dated the 14th September and 19th November 1898, respectively, I have the honor to submit herewith the records connected with the transfer of the patta which stood in the name of one Karegauda in the villages of Hulikal in the Tiptur taluk and Bramhadevarahalli in the Turuvekere sub-taluk, and to state as follows :—

2. Karegauda held lands in the two villages of Hulikal in the Tiptur taluk and Bramhadevarahalli in the Turuvekere sub-taluk. He died in the month of September 1897, leaving a widow and a daughter surviving him.

3. At the jamabandi of the village of Bramhadevarahalli in the Turuvekere sub-taluk, which was done in January 1898, it was brought to notice by the shanbhog that the deceased Karegauda had adopted his brother's son, Nanja, that the said Nanja had performed the obsequies of the deceased, and that the lands in Karegauda's name were being enjoyed by his widow Nanji and the adopted son Nanja. The Deputy Amildar recommended that the patta for the lands in question might be made out in the names of Nanja and Nanji jointly. None of these persons was present at the district jamabandi and as no local enquiry could be made at the time since both of them were residents of Hulikal in the Tiptur taluk, the statement of the shanbhog and the recommendation of the Deputy Amildar were accepted and the patta for Karegauda's lands in Bramhadevarahalli was accordingly ordered to be made out in the joint names of Nanja and Nanji. Against this order Karegauda's widow Nanji has appealed to Government on the ground that her deceased husband and Nanja's father were divided brothers and that the alleged adoption of Nanja was false.

4. The district jamabandi of the village of Hulikal in the Tiptur taluk was taken up in March 1898. Nanja and Nanji as well as Nanja's father Nanjegauda, brother of the deceased Karegauda, were present on the occasion, as also the villagers of Hulikal. Nanji (widow) denied the adoption of Nanja by her husband in the presence of the assembled villagers. I examined the parties orally on the spot as is usually done during jamabandi. Nanjegauda, brother of the deceased Karegauda, admitted that they had been divided in interest long ago; but he alleged that his brother was living with him for some time before his death and that their interests were thus re-united. This allegation was ascertained to be false and the widow Nanji was recognized as the nearest heir to the deceased Karegauda and the patta was accordingly made out in her name alone. Against this order, Nanja has appealed to Government on the ground of his having been adopted by the deceased Karegauda. He has, however, not produced any proof to support his plea.

5. My order of 16th January 1898, directing that the patta for Bramhadevarahalli lands be made out in the joint names of petitioners Nanja and Nanji, was not based on any enquiry, owing to the absence of the parties. Nanji applied to me for a revision of this order; but, as the mere entry of Nanja's name in the village accounts conjointly with her own did not in any way affect her exclusive possession of the lands, and as I have no power to revise my own order, I declined to interfere.

6. The petitions under reference are herewith returned.

No. 1064-71—P. F. 18-99, DATED BANGALORE, 31ST JULY 1899.

ORDER THEREON.—There was no proper enquiry as to who has the right to succeed to the lands of the deceased Karegauda as required by para 2 of Rule XXV of the Land Revenue Rules issued under Section 68 of the Land Revenue Code. The Deputy Commissioner himself admits that his order for the patta of lands in Bramhadevarahalli being made out in the joint names of the widow and alleged adopted son was not based on any enquiry. The case is therefore remanded to the Deputy Commissioner for such enquiry being held and a decision passed on the merits. The evidence taken should be recorded in the manner laid down in Section 203 of the Land Revenue Code.

PUBLIC WORKS

Proceedings of the Government of Mysore.

READ—

The following Note by the Chief Engineer, dated 11th March 1899, submitting for sanction the Final Issue of the Public Works Budget for the year 1898-99.

I beg to submit for approval and early sanction of Government, the Final Budget Estimates of the Public Works Department for the year 1898-99. They amount to Rs. 39,25,622 as noted below, or Rs. 84,864 more than the original grant. Of this increase, Rs. 6,864 are proposed under District Funds, Rs. 41,000 under Local Funds General, Rs. 5,000 under Irrigation Cess Fund, and Rs. 32,000 under Palace Fund, and the necessity therefor is explained under the Funds concerned.

		Final Issue.	Preliminary Issue.
		Rs.	Rs.
Provincial Fund ...	Ordinary grant ..	18,00,000	18,00,000
	Special grant ..	13,00,000	13,00,000
District Funds ..	... .	3,93,622	3,86,758
Local Funds General	... .	1,41,000	1,00,000
Irrigation Cess Fund	. ...	2,41,000	2,36,000
Palace Fund ...	. .	50,000	18,000
	Total ..	39,25,622	38,40,758

PROVINCIAL FUND.

2. *Ordinary Grant.*—The grant of 18 lakhs provided in the Preliminary Issue for ordinary works stands intact, but the allotments under the several budget heads have been modified to suit requirements, as intimated by Divisional Officers. Works provided for in the Preliminary Issue, projects for which have not yet been received, have now been omitted, while for those for which projects are under disposal, the provision has been reduced.

ORIGINAL WORKS.

3. Under *Military*, the original grant of Rs. 49,000 has been reduced to Rs. 25,000 owing chiefly to the provision made in the Preliminary Budget, for re-constructing old Barr lines at Bangalore (for which an estimate of Rs. 77,424 was sanctioned by Government) and extending the Military Stores, having been omitted. The former work is in abeyance pending decision of Government about the proposed reduction of the Barr and increase of the Armed Police, while the latter project has been rejected, as the Government consider that a new building near the new Silahdar Lines is preferable.

Under *Civil Buildings*, the original grant has likewise been reduced from Rs. 2,95,000 to Rs. 2,60,000 chiefly owing to the omission of the marginally noted works (for which projects have not been received from the Superintending Engineers concerned up to date), in order to provide additional funds required for sanctioned works under other service heads. The reduced grant provides for 34 incomplete works, 19 new works, and 10 unsanctioned works for which projects are ready and about to be submitted to Government.

1 Extending Taluk Cutcherry at Magadi.
2 Constructing compound wall for Government bungalows in the High Ground at Bangalore.
3 Constructing quarters for the Headmaster at Kolar.
4 Constructing accommodation for European and Eurasian in-patients at Mysore.
5 Improving Taluk Cutcherry at Tirthahalli.
6 Additions and improvements to Dispensary at Kadur.
7 Additions and alterations to Dispensary at Mudgere.
8 Constructing additional officials' quarters at Mudgere.

Under *Communications*, the original grant of Rs. 1,13,000 has been enhanced by Rs. 7,000, the increase being necessary to provide for 6 additional incomplete major works of the previous year, and for a few urgent works sanctioned during this year.

3. At the jamabandi of the village of Bramhadevarahalli in the Turuvekere sub-taluk, which was done in January 1898, it was brought to notice by the shanbhog that the deceased Karegauda had adopted his brother's son, Nanja, that the said Nanja had performed the obsequies of the deceased, and that the lands in Karegauda's name were being enjoyed by his widow Nanji and the adopted son Nanja. The Deputy Amildar recommended that the patta for the lands in question might be made out in the names of Nanja and Nanji jointly. None of these persons was present at the district jamabandi and as no local enquiry could be made at the time since both of them were residents of Hulikal in the Tiptur taluk, the statement of the shanbhog and the recommendation of the Deputy Amildar were accepted and the patta for Karegauda's lands in Bramhadevarahalli was accordingly ordered to be made out in the joint names of Nanja and Nanji. Against this order Karegauda's widow Nanji has appealed to Government on the ground that her deceased husband and Nanja's father were divided brothers and that the alleged adoption of Nanja was false.

4. The district jamabandi of the village of Hulikal in the Tiptur taluk was taken up in March 1898. Nanja and Nanji as well as Nanja's father Nanjegauda, brother of the deceased Karegauda, were present on the occasion, as also the villagers of Hulikal. Nanji (widow) denied the adoption of Nanja by her husband in the presence of the assembled villagers. I examined the parties orally on the spot as is usually done during jamabandi. Nanjegauda, brother of the deceased Karegauda, admitted that they had been divided in interest long ago; but he alleged that his brother was living with him for some time before his death and that their interests were thus re-united. This allegation was ascertained to be false and the widow Nanji was recognized as the nearest heir to the deceased Karegauda and the patta was accordingly made out in her name alone. Against this order, Nanja has appealed to Government on the ground of his having been adopted by the deceased Karegauda. He has, however, not produced any proof to support his plea.

5. My order of 16th January 1898, directing that the patta for Bramhadevarahalli lands be made out in the joint names of petitioners Nanja and Nanji, was not based on any enquiry, owing to the absence of the parties. Nanji applied to me for a revision of this order; but, as the mere entry of Nanja's name in the village accounts conjointly with her own did not in any way affect her exclusive possession of the lands, and as I have no power to revise my own order, I declined to interfere.

6. The petitions under reference are herewith returned.

No. 1064-71—P. F. 18-99, DATED BANGALORE, 31ST JULY 1899.

PUBLIC WORKS

Proceedings of the Government of Mysore.

READ—

The following Note by the Chief Engineer, dated 11th March 1899, submitting for sanction the Final Issue of the Public Works Budget for the year 1898-99.

I beg to submit for approval and early sanction of Government, the Final Budget Estimates of the Public Works Department for the year 1898-99. Palace Fund		50,000	18,000
	Total	39,25,622	38,40,758

PROVINCIAL FUND.

2. *Ordinary Grant.*—The grant of 18 lakhs provided in the Preliminary Issue for ordinary works stands intact, but the allotments under the several budget heads have been modified to suit requirements, as intimated by Divisional Officers. Works provided for in the Preliminary Issue, projects for which have not yet been received, have now been omitted, while for those for which projects are under disposal, the provision has been reduced.

ORIGINAL WORKS.

3. Under *Military*, the original grant of Rs. 49,000 has been reduced to Rs. 25,000 owing chiefly to the provision made in the Preliminary Budget, for re-constructing old Barr Lines at Bangalore (for which an estimate of Rs. 77,424 was sanctioned by Government) and extending the Military Stores, having been omitted. The former work is in abeyance pending decision of Government about the proposed reduction of the Barr and increase of the Armed Police, while the latter project has been rejected, as the Government consider that a new building near the new Silahdar Lines is preferable.

Under *Civil Buildings*, the original grant has likewise been reduced from Rs. 2,95,000 to Rs. 2,60,000 chiefly owing to the omission of the marginally noted works (for which projects have not been received from the Superintending Engineers concerned up to date), in order to provide additional funds required for sanctioned works under other service heads. The reduced grant provides for 34 incomplete works, 19 new works, and 10 unsanctioned works for which projects are ready and about to be submitted to Government.

1 Extending Taluk Cutcherry at Magadi.
2 Constructing compound wall for Government bungalows in the High Ground at Bangalore.
3 Constructing quarters for the Headmaster at Kolar.
4 Constructing accommodation for European and Eurasian in-patients at Mysore.
5 Improving Taluk Cutcherry at Tirthahalli.
6 Additions and improvements to Dispensary at Kadur.
7 Additions and alterations to Dispensary at Mudgere.
8 Constructing additional officials' quarters at Mudgere.

Under *Communications*, the original grant of Rs. 1,13,000 has been enhanced by Rs. 7,000, the increase being necessary to provide for 6 additional incomplete major works of the previous year, and for a few urgent works sanctioned during this year.

Under *Miscellaneous Public Improvements*, the grant has been reduced from Rs. 22,000 to Rs. 15,000 by the omission of the allotment provided for "widening of roads north of fort gate at Mysore for the proposed equestrian statue of His Highness the late Maharaja," which work is not likely to be undertaken this year, the question of site not having yet been definitely settled.

Under *Irrigation*, the grant has been increased from Rs. 5,17,000 to Rs. 5,64,000 or by Rs 47,000, to provide for 18 incomplete major works of the previous year omitted in the Preliminary Issue and for some new works since sanctioned. The allotments for some of the sanctioned works have also been modified according to requirements as reported by Divisional Officers.

REPAIRS.

4. The grants under this head have been modified to meet actual requirements of the year, as noted below —

	Modified Grant. Rs.	Original Grant. Rs.
Military	5,000	5,000
Civil Buildings	85,000	75,000
Communications	3,55,000	3,50,000
Miscellaneous Public Improvements	5,000	5,000
Total	4,50,000	4,35,000

5. *Special Grant* —The original grant of Rs. 13,00,000 sanctioned for extraordinary works remains unaltered, but its distribution among service heads has been modified to suit requirements, as noted below —

	Final Budget. Rs	Preliminary Budget. Rs.
Non-productive Works—		
Military	1,50,000	1,87,000
Civil Buildings	2,65,000	2,80,000
Communications	30,000	42,000
Miscellaneous Public Improvements	65,000	50,000
	5,10,000	5,59,000
Reproductive Works—		
Irrigation	4,46,000	5,36,000
Establishment	2,31,835	1,94,473
Tools and Plant	1,12,165	10,527
Total	13,00,000	13,00,000

The original grant for the Imperial Service Lines and the Victoria Hospital at Bangalore, as also that for the Mavatur tank in Tumkur district, have been somewhat reduced, owing to tardy progress or stoppage of work on account of plague, &c., while the allotments for additions and improvements to the Fern Hill Palace at Ootacamund and the Chamraja Channel in Mysore district have been increased. Provision has now been made for the Vanivilas Water-Supply works, as nothing was provided therefor in the Preliminary Budget on the presumption that they would be completed during last year. For the Marikanave Project, an allotment of Rs. 2,50,000 has been provided. The Kittadahalli Project (Chitaldrug district) included in the Preliminary Budget has been omitted in the Final Budget, it having been since decided to abandon the project as it would affect the supply to the Marikanave Reservoir now under construction.

DISTRICT FUNDS.

6. The grant sanctioned by Government in the General Department for works to be executed by the Public Works Department aggregate Rs. 3,93,622 against Rs. 3,86,758 provided in the Preliminary Budget. The increase is due to supplemental grants having been since sanctioned for the Districts of Kolar, Chitaldrug and Shimoga. The distribution of this amount by divisions and service heads will be found in abstract pages 8 and 9.

LOCAL FUNDS GENERAL.

7. The works undertaken from Local Funds General have been shown under a separate budget head, in accordance with para 2 of Government Proceedings (P. W.) No. 712-34—4109-31, dated 23rd July 1898. The original grant of Rs. 1,00,000, sanctioned in the above Proceedings for the works referred to therein, has been increased to Rs. 1,41,000. Of this amount Rs. 1,20,000 has been allotted for works and Rs. 21,000 for establishment at 17½ per cent, which is the percentage fixed for District Fund works in Government Proceedings (P. W.) No. 869-98—4824-53, dated 12th September 1895. Sanction of Government is now solicited to the extra grant of Rs. 41,000 required under this head.

Provision is made for 11 sanctioned works and 7 fresh works for which projects are either under disposal or under preparation, *vide* details on Budget pages 60—63. A sum of Rs. 2,200 has also been provided under "Miscellaneous Public Improvements" for draining the Kalyani at Melkote in Seringapatam taluk, which work was sanctioned by Government from Local Funds General.

IRRIGATION CESS FUND.

8. The available assets under this head as per revised figures furnished by the Comptroller are Rs. 2,41,389, and the grant has therefore been raised to Rs. 2,41,000, or by Rs. 5,000, there being a demand for additional funds under this head. Even this increased amount is found inadequate to meet requirements. It is therefore proposed now to relieve this fund of the cost of Tank Inspectors (about Rs. 21,000), which it now bears, in addition to a percentage charge of 17½ per cent on account of establishment charges, under para 4 of Government Proceedings (P. W.) No. 869-98—4824-53, dated 12th September 1895. There seems to be no reason why this Fund should bear a higher percentage on account of establishment charges than District Funds. The savings thus effected will be utilized on useful irrigation works in urgent need of repairs.

PALACE FUND.

9. The original grant of Rs. 18,000 has been increased to Rs. 50,000 so as to provide for two more incomplete works of previous year, and some fresh works for three of which estimates have already been sanctioned. All these works are detailed on pages 64—65 of Budget. No provision has been made for constructing a swimming bath for H. H. the Maharaja in the compound of the Summer Palace at Mysore for which a project of Rs. 26,057 was sanctioned in September last, as the work has been ordered to be deferred for the present by H. H. the Maharani-Regent.

ESTABLISHMENT.

10. The total charges under this head (including Rs. 2,800 debitable to the Provincial Budget on account of water-supply works under execution by the Superintending Engineer, Sanitary Works Department) aggregate Rs. 7,02,000. Deducting Rs. 7,170, being 5 per cent of cost of "Direction and Accounts," the net amount debitable to "Public Works Proper" is Rs. 6,94,830 or Rs. 39,480 more than the grant in the Preliminary Budget. This increase is chiefly due to provision having been made for the establishment required for the newly constituted Marikanave Division.

The establishment charges are 17·69 per cent on the total grant of Rs. 39,25,622 or 22·42 per cent on grant for works alone; and their distribution to the several budgets is as noted below:—

		Rs.	Percentage to Works.
Provincial Fund	. . ...	5,79,587	24·25
District Funds	... ...	58,349	17·50
Local Funds General	... . .	21,000	17·50
Irrigation Cess Fund	. . ...	35,894	17·50
	Total ...	6,94,830	22·42

TOOLS AND PLANT.

11. The total amount provided under this head is Rs. 1,32,248, *viz.*, Rs. 1,30,413 under Provincial Fund and Rs. 1,835 under District Funds, against the grant of Rs. 31,312 in the Preliminary Issue. This large increase under the head is absolutely necessary in order to meet the cost of machinery and tools and plant purchased for the Marikanave Project.

No. 715-38—3531-54, DATED BANGALORE, 8TH JULY 1899.

ORDER THEREON.—The Final Issue of the Public Works Budget for the year 1898 99, submitted with the Chief Engineer's Note, read above, and involving a total grant from all Funds of Rs. 39,25,622, is sanctioned with the following observations :—

(1) The additional grant included in the above of Rs. 41,000 from "Local Funds General" is sanctioned for the works specified in the Budget, and for meeting an establishment charge at 17½ per cent.

(2) A uniform establishment charge at 17½ per cent for Irrigation Cess Fund works, and the transfer of the cost of Tank Inspectors from this Fund to the Provincial, are approved.

READ—

The following Note by the Chief Engineer, dated 8th February 1899, submitting for sanction the Final Issue of the Sanitary Works Budget for the year 1898-99.

I submit for the sanction of Government the accompanying Final Issue of the Sanitary Works Budget for the year 1898-99, amounting to Rs. 3,00,000 or Rs. 25,000 more than the original grant, as shown below :—

	Final Issue.	Preliminary Issue.
	Rs.	Rs.
PART I—Government grants-in-aid and recoverable loans to Municipalities.	70,000	1,00,000
PART III—Special Works	1,75,000	1,15,000
Establishment	52,900	57,000
Tools and Plant	2,100	3,000
Total ...	3,00,000	2,75,000

2. *Part I.*—The grant under this head has been reduced from Rs. 1,00,000 to Rs. 70,000, which is sufficient to meet requirements of works the projects for which have either been sanctioned or are under disposal. All works for which projects are not ready have been omitted, as the Superintending Engineer, Sanitary Works Department, and his staff are now otherwise engaged in connection with works of special sanitation required in the Bangalore City for plague preventive measures, and cannot therefore afford time for the investigation of ordinary sanitary projects elsewhere.

3. Of the four water-supply works for which projects are under disposal, those of Shimoga and Birur are now before Government, while those of Tumkur and Hassan are pending in this office for want of certain particulars as regards compensation, &c., called for from Deputy Commissioners.

4. *Part III.*—The grant under this head has been raised to Rs. 1,75,000, or by Rs. 60,000, chiefly to provide for the Basavangudi and Kadamalleswaram extensions at Bangalore, and for four incomplete works (items 10, 17, 23 and 24) of the previous year omitted in the Preliminary Issue.

5. Of the 15 works brought forward in this part of the Budget, items, 10, 17, 18, 19, 20 and 23 have been sanctioned entirely from Provincial Grant. Item No. 10 was sanctioned by Government in connection with the western extension of the Bangalore City, while Nos. 18, 19 and 20 were sanctioned for the sanitary improvement of the Mysore City. Item Nos. 11 and 12 provide for Basavangudi and Kadamalleswaram extensions of Bangalore City, and projects for them are under preparation. All these works have been entered in Part III of this Budget, although only works the cost of which is to be met from either (1) Loans granted by Government to the municipalities or (2) Grants from District Local Funds should be brought forward in this part, *vide* para 3 of Proceedings No. 3916-36—749-69, dated 1st August 1894. Proposal will be submitted separately for modification of that para of Proceedings so as to admit of the entry under Part III, of works sanctioned, as a special case, entirely from Provincial Fund, on account of the inability of the municipalities concerned to refund the cost of such works or on account of the works being required more for improvement of the towns than for sanitation.

6. In Government Proceedings No. 11301-3—L. F. 89-97, dated 14th March 1898, a loan of Rs. 50,000 was sanctioned to the Bangalore City Municipality to enable them to carry out sanitary improvements to that city. This amount was subsequently in the marginally noted Proceedings, made available for works of the Plague Department. Separate provision has therefore now been made for the drainage and sewerage works, opening out conservancy lanes, &c., of the Bangalore City, *vide* items 13, 14, 15 and 16. The sewerage and drainage works of the Mysore City have also been provided for. Projects for these works are under preparation by the Sanitary Department, and they will on receipt be submitted to Government for formal sanction.

No. 933-90—3477-84, dated 22nd September 1898.
